THE STARLETGATE

POWER REPORT

V1.0

10.7.2026

-RION KATI

BROUGHT TO YOU BY

Sexy Chi™

It's Rion Kati and I am VERY excited to bring you these hot, fresh 'n NEW STARLET Ascension Miracle Portal Codes. *Actually, they're ancient, but now in our awareness.*

So, I want to start with just ONE question...

What if your TRUE SELF never, ever ONCE in your life or past lifetimes was unworthy or anxious about you having the FULL VISIBILITY, attention, manifestation and success that you DESIRE in expressing YOUR voice, beauty, codes and magic on a large SCALE to the world...and **that it was ONLY AND EVER 'THE SHADOW' itself that always insidiously got in the way?**

What if that WAS actually the Truth and represented the immortal saga itself?

Hmm....Because, throughout this power report (a.k.a. 'book') I am going to EXPOSE this theme of 'The Shadow' (YOUR ? shadow) in an entirely new and radically empowering way so that you can be primed for MIRACULOUS transformation in a short amount of time (b/c you already have massive advantages b/c of your connection to Spirit)...we'll do it, you're up for it that is!

Ok now; let me just get this stuff out of the way in case you're new to me.

BTW; the website is <https://sexychi.com>

[You can join my list here to stay up to date with the latest updates herev](#)

I'm on Instagram @ https://instagram.com/rion_kati

& Facebook @ <https://facebook.com/rion.kati>

Now;

Because these white hot codes are NOT for everyone and even readers on my blog and email list subscribers have different tastes, I want to make sure that you're in the right place. Chances are that you ARE if that first question intrigued you, but still... let's go deeper.

Btw; we're in the STARLET ASCENSION MIRACLE PORTAL conference room for those desiring breakthrough influencer-of-some-sort visibility and Spirit aligned success....the 'save the humpback whales foundation' is down the hall to your right.

Ok...Shall we proceed? Are you itching and eke-ing for these codes and what may transpire? Although I prefer you take the slower, warm-up path:

YOU CAN GO TO THE VERY 'CORE' OF THIS POWER REPORT ON/AROUND PAGE 51 fast if you want to get more to the CENTRAL POWER POINT JUICINESS.

Good!

Would you say that you are an awakening, conscious woman who has cultivated GREAT connection to Spirit for many years...a connection to aspects of Goddess and have a LOT of spiritual wealth and LIGHT-WORKING codes in the upper dimensions that transcend consumer morphology?

Yet you feel there is a MAGNANIMOUS GAP between who you are in Spirit-Truth and the level of influence and visibility you have in the world?

Maybe you are already an industry leader but feels like you should be a megastar on an even larger stage or fame itself? Maybe you COULD or SHOULD be at celebrity level to get your codes out there and be ok with that position, status and influence (b/c THEN you're having big impact).

That even though you value embodiment, there are still some major hurdles to

being seen, influence, speak your voice with confidence and be able to MANIFEST on a larger scale (yet it seems like everything is working against you like an invisible gravity field)?

Are you tired of playing it on a smaller scale and something in you is URGING, beckoning and yearning for you to BE CALLED TO GREATER INFLUENCE....TO BE SEEN and get out there (outside of your current cozy environment and walls) so that you can have the **ASCENSION IMPACT** on the scale that you DREAM OF in your FULLEST voice, image, beauty, codes, recognition, satisfaction and self-expression?

Maybe you already have a spirit-centered business or brand but either way; are you INCREDIBLY RICH in Spirit (and your forms of 'woo') and yet; for YEARS and YEARS have been suffering DEBILITATING self-sabotage, frustration, blockages and confusion when it comes to BEING SEEN, being EXPOSED more publicly and all of the VISIBILITY anxiety, concerns, apprehension and even trauma surrounding it?

IT'S ALMOST LIKE YOU'RE LIVING

'CURSE OF THE LIGHTWORKER'

or something.

When opportunities come up with higher stakes; all of a sudden you feel like you might COLLAPSE and they will DISCOVER you for who you are - even though that's NOT who you really are in Spirit-truth and soul while you try to 'hold it together' and not appear implode into a nervous wreck with a shaky voice?

(I've been there btw including with a public speaking humiliation dynamic I'll mention later).

You want to BE SEEN and your somatic body feels UNCOMFORTABLE and resistance to being seen...?

It's like yeah; some of your essences come obviously through when you share your codes esp. around those who know you, your circle and those who are resonant with your values and work; but then you could become a PARALYZED NERVOUS WRECK when it comes to larger visibility and opportunities for exposure (and how people will view you who AREN'T as familiar with your work) - so it's like this big BATTLE within.

REALLY, KINDA LIKE A MUTINY that keeps sabotaging you from EVER truly breaking through at the levels you desire and deserve. And this is central if you HAVE a business or brand as a light-worker, energy worker, healer, psychic, manifestation coaching business, priestessing or what have you with YOUR codes and service.

WHAT IF THIS WAS WHAT WE COULD REFER TO AS 'SHADOW' that was ready to POUNCE UPON YOUR TRUTH, COMMUNICATION, VOICE & VISIBILITY every time you stepped out? What if we could encapsulate the years of SABOTAGE with this concept of 'the Crouching Shadow' within?

And yes; it's an HOMAGE of a reference to the 90's movie 'Crouching Tiger, Hidden Dragon'. I think you'll see further how this concept of the Crouching Shadow within (and what that means) represents this EPIC eternal-seeming SAGA... as it plays out and dances with the Light of further AWARENESS throughout this book.

So; If this is you on any scale VS. your DESIRED success, you're in the right spot at the perfect timing which YOU have attracted.

And because you've been stuck in this perpetual cycle of scaled **visibility and success DOOM** and yin cock-blocking...b/c it's NOT resolved yet, that's also why you might want to be keen on STARLET codes vs. other Goddess work at *this juncture*.

You've often been so disembodied compared to the LEVEL of how much you carry in the seat of the soul - and then conditionally so requiring 'safe' environments but the world isn't SAFE out there in the larger currents so you actually require more stable sovereignty that STARLET can provide.

There's been so much LATENCY and the equivalent of government red tape like DMV' waitin' hellscape of entropy with your ideal 'real world' growth manifestations (b/c your field isn't coherently EMBODIED and stable with your TRUE SELF 24/7 and it's painfully preventing overnight success).

You love and hate the idea of the spotlight (and stage; talk about the heeby jeebies).

You've dealt with YEARS AND YEARS of *faith fatigue* and often despair...hopelessness like IS IT ONLY GOING TO REMAIN A DREAM?

Why hasn't the external world caught up with you?!

Even though you have a fiery path and vision, you can often end up in utter indifferent apathy and depression.

And I'll tell u now if you have resistance to ascension wealth you're gonna wanna clear that up ASAP. (the shadows which affect you; that is THEIR deceivry). I'd read into the GRAC book for a deeper foundation but probably not as an excuse to get caught up where the shadows that plague you can come in and bring more time delay - but it may have its place.

Your true self unlikely ever took a vow of poverty and if so THAT must be broken

Divine Abundance is y/our birthright and as exchange of value and a measurement gauge OF your impact...wealth exists independent of all politics or state of the economy. There are millions out there NOW b/c you ARE on that level in Spirit richness.

So if you're 'new' to raw, unfiltered Starlet codes, you may want to keep listening b/c STARLET doesn't have ANY visibility wounding, so there's already miraculous leverage for you to transform if we could somehow access Her.

So; if I'm right do you desire to GET OUT THERE more with a MASSIVE VISION knowing that you hold such specialized ascension codes and THRIVE in the

upper dimensions but have been invisibly HELD BACK for years and it seems impossible to breakthrough on that larger scale in the social, physical, material world with your level of codes (and the integrity you must keep to them), right?

Have you often retreated (or cowered) back to the relative safety (and invisibility) of your cave or your current circle where you are accepted yet KNOW THAT YOU ARE MEANT for the LARGER CURRENTS (and the greater levels of sovereign, world-facing EMBODIMENT of your level of codes WITHOUT fracturing into a ball of anxiety)?

How often has that occurred?

And have you also worked on manifestation, identity and your self-image for years but it's always been like taking one step forward and two steps back? Like something keeps PULLING YOU BACK INTO an ANTI-EXPOSURE abyss and festering pit of putrescence?

Pulleddddd back unwantingly...(not again...NOOOOOO...) into the astral black hole vortex of an abyss while your potential empire remains Frozen like Elsa in both the original and sequels...at least when there are terror barriers or lack of manifestation.

Vegging out with crocs and sweat jammies...Numbing yourself back into a curled up ball (I literally did this during like a MONTH of dark nights of the soul); kinda like novocaine and living on faith, coffee and dreams alone...maybe the world will never know your VOICE and fully expressed legacy at the scale you envision...hara kiri of your soul as the erosion of 'reality' decays your dreams when you still see OTHERS succeed and thrive seemingly effortlessly?

UGH.

Or your version of experiencing it; these great dreams and vision yet feeling you're fractured from your true highest timeline and it's MANY years behind you for where you should be.

(One of my aspects of 'control' was literally YEARS of screen-testing 'behind the scenes' to prepare for debut; I'm post-debut now btw).

And do...Do you feel that visual branding and content creation is obviously important, but that there must be something deeper than superficial glow-ups and looks-maxxing for you to really break through in your SIGNATURE BRAND ESSENCE AND INFLUENCE with all of your codes?

A deeper, likely HIGH INVESTMENT and cost-sacrifice for more powerful transformation and transfiguration of self (esp. if all this manifestation work is about IDENTITY)?

And it's like;

That no matter what you do (including with your social media) that it's like there's an INVISIBLE barrier for the 'Heaven On Earth' manifestation of LIVING OUT your codes on the scale they really are in the lower dimensions (including socially and financially) related to your highest purpose, visibility, influence and beauty?

It's the opportunities for the SPOTLIGHT that especially are daunting...standing on stage in front of a larger audience? GREAT for your brand but can you HOLD IT with confidence or will the world see you collapse into a nervous wreck while you try to 'hold it together'?

After all; you have codes that are very INTIMATE and vulnerable to you...and exposing yourself and them and your allure to the LARGER CURRENTS can really feel daunting. (For all the years of spiritual growth and consciousness work you've done; this is where STARLET comes in ;)

Your energy body just gets pre-heart attack levels of anxiety if something is too big of a gap, but it's not what your spirit desires; to retreat back into the

compromise of smaller 'safety' and stability.

And have you realized that the whole infuriating thing about it is that (even though NOTHING has broken you REALLY through yep and you keep getting 'pulled back'); that you realize it's an INTERNAL battle and not actually extrinsic even though it's easier to blame other forces?

Oh - you don't want to accept that, do you!? IT CAN'T BE YOU AFTER ALL THESE YEARS (so keep reading ;).

Sure; this may be hard to accept b/c you're still waiting for the SIGNS of the world to 'catch up with you' but they never match who you are in SPIRIT truth.

You probably have the HUNGER to be somewhere far, far further than where you are in the material plane to match your truth. Yes, Hunger is a shadow in the Gene Keys (and it's my collective wound: GK 35).

Well BECAUSE YOU HAVE practical and super-NATURAL codes sourced from neverlands OUTSIDE of consumer morphology and have the DESIRE for INFLUENCE and living out your ascension codes (if that's you) then I'd keep reading because I'm going to reveal (as someone on a Star path myself whose dealt with CRIPPLING public performance anxiety).

With that said; I have a word about the format of this 'power report'. It's actually ok for you to skip around and saturate-bask in the codes in this book IF you are so-called. **YOU CAN GO TO THE VERY 'CORE' OF THIS POWER REPORT ON/AROUND PAGE 10 if you want to get more to the Central Premise as a faster reference.**

I've intentionally edited it so that some aspects are coming in with the same hot-coded material from slightly different angles or a reiteration. Then towards the bottom I'm going to shamelessly revisit them again for you cross-reference if your own perspectiving has changed.

IF YOU SO DESIRE you can move forward at a slower pace for the slow-burn saturation with crescendo-ing build-up towards the juicy CORE of the power

dynamic revelation itself

OR you can **skip down to page 51** faster if you're getting antsy...I would only ask that you give yourself space enough (even on revisits) to allow these codes to affect and saturate with and through you...they are highly potent and well...alchemically POTENTIALIZING to your somatic body and spirit.

So use this resource as you will...I just wanted liberty to get more the complete version out rather than having to cut or compromise on the codes-flow itself.

Ok, ready to proceed?

READY FOR SOME MIRACLES?

(Because after all, we are at the starter APEX of this Starlet Ascension Miracle Portal 'n upward vortex of ascension breakthrough including ASCENSION WEALTH for those who get caught up in the slipstream).

Now;

After receiving updated STARLET codes and manifestation breakthroughs along with the primordial foundation of the 'Gold Rush Ascension Codex'; I'm going to reveal what I have recently discovered to be the VERY CORE ITSELF of y/our endless cycles of VISIBILITY wounding and SELF-SABOTAGE that are preventing truly being seen and in legendary service with your codes AT AN IDENTITY LEVEL (it's nothing less than INTERNAL spiritual warfare).

This goes far beyond MINDSET material and 'positive thinking'.

Other manifestation and 'personal growth' stuff just NEVER even came close to what MOST accurately could be called SPIRITUAL WARFARE recurring on in OUR dynamic.

YOU MIGHT BE RELIEVED TO KNOW THAT IT'S NOT ACTUALLY JUST ABOUT 'YOU'...or at least the 'you'-as-self-concept that you've been aware of.

Because actually in SPIRIT, YOU ARE WORTHY. This should give you instant hope...but what if your 'identity' in consciousness actually carried GODDESS FRACTAL codes that were impersonal and beyond your 'personality'?

What if the on-going SABOTAGE of your higher self incarnate...what if it has to do with unseen (or fractured) aspects of your identity consciousness; both LIGHT and SHADOW in terms of embodiment and expression?

After all; how you can have SO MUCH LOVE, LIGHT, TRUTH, BEAUTY and yet also the INVERSION EXTREME of self-hate, self-criticism, self-shaming, self-censoring, doubt, insecurity, anxiety, unworthiness, voice and visibility based FEAR.

YOU ARE NOT THE FEAR ITSELF ARE YOU? Nah... Nuh-uh

You're not *actually* MALEVOLENT OF A SOUL.

NO...some may be (like a mother-in-law) but not you.

Yet you're still CALLED to something much more of your role as an ascension influencer with your codes. You're meant for a BIGGER SPOTLIGHT and that means greater ATTENTION b/c of how God/dess and the divine wants to work with and through you (yet your vessel cannot always handle those large of currents without getting triggered into anxiety, confusion, self-doubt, crippling sabotage, etc.).

And this upcoming potential MIRACLE makeover to step into the SPOTLIGHT and be recognized in living success with YOUR TRUE VOICE, SOVEREIGNTY AND CODES TO THE LARGER WORLD (and paying markets); what if this has to

do with the **LIGHT & DARK VS. SHADOW aspects in consciousness of your IDENTITY** (and how that attracts and influences everything else; including EVERYTHING to do with manifestation and aligned success)?

And because we're in a VORTEX of Starlet Ascension Miracles for visibility breakthrough and ascension aligned wealth...this is just a very special time to leverage what's possible which also has to do with MARKET ASCENSION and evolution of consciousness to millions of paying consumers as I've covered in my latest book/power report '***The Gold Rush Ascension Code***'.

Because if you keep getting STONEWALLED BACK INTO THE ILLUSION OF SAFETY, armoring, hiding out or dealing with activating anxiety when you are called to be in the SPOTLIGHT...how can you ever get ANYWHERE when it's also what you really desire?!

Thus; we have to address and expand your IDENTITY itself and the bigger picture of what's REALLY going on (in this report)...because THESE ARE VERY POWERFUL FORCES.

And it's helpful to know that archetypes are Gods and Goddesses (but not 'THE' God/Source)...that you can have access to with and through your soul that AMPLIFY the Power and Beauty (and consciousness) of your soul and VISUAL felt charismatic presence (beyond the .0035% visible light spectrum).

As social media marketing moves towards 'real' authentic trustable founders and influencers with integrity and connection in a world weary of AI, your brand and feel-ability is more important than ever. PEOPLE WANT REAL and are getting more sensitive to if you ARE the real thing.

Your vibe and light truth communicates this (or not!) as the center of your universe as more people, fans, clients, followers join your orbit. Your Starlet can be radiant and NOURISHING like a star to others vs. fear of being siphoned from.

Feelable signature brand allure is the FUTURE of social media marketing (sayeth Muse-Starlet); not merely looking good and 'niche content' marketing.

Remember; ***your Starlet Codex*** alone (doubling as your 'spiritual celebrity brand') sets you apart even in crowded markets and social-media scape...that we could work with on an IDENTITY level that encapsulates ALL of you. (The future of branding)

(NOTE; Because this is the full version that I've been called to write with a more comprehensive Power Report and NOT the cliff bar notes version that gets right to the CORE issue; it allows you to marinate with all of these codes, implications and dynamics more comprehensively as they apply to your life...I'm able to get nuances in as well as reiterate some things from different angles - also b/c it may be NEW to you yet this will help you soak it all in more).

If you desire to get STRAIGHT to the nitty gritty GOOD VS. EVIL AVATAR IMAGO reveal; you can scroll down to the core IDENTITY & SPIRITUAL WARFARE section itself on page 51.

So, as I'll revisit (moving forward on the slow burner)...your IDENTITY itself is really the CORE source of all this. And the STARLET IDENTITY VERSION OF YOURSELF WITH YOUR CODES; consider that she may not actually have any of these SHADOWS and that maybe THEY WEREN'T YOURS TO BEGIN WITH.

In fact, the archetypal STARLET and YOUR VERSION of Goddess-STARLET...SHE THRIVES in the spotlight; perhaps you've just been BLOCKED from that experience so far with MAJOR FUCKERED INTERFERENCE...that's what we're getting to. Cracking that code and the meta-dynamic itself of your IDENTITY.

And if you've studied manifestation work and the law of attraction; you know that IDENTITY is the actual core of what you're experiencing and attracting anyways for aligned success including wealth.

SO > SOMETHING MUST CHANGE and if you don't work on the CORE ITSELF at an identity consciousness level, esp. with HOW STRONG YOUR LIGHT AND SHADOWS ARE...ALL the other superficial stuff like positive thinking and endless visual-desiring isn't going to do much of anything to CHANGE your reality.

**WE HAVE TO GO INTO A MORE POWERFUL DYNAMIC WITH YOUR IDENTITY,
SOMATIC REALITY AND CONSCIOUSNESS TO MAKE REAL CHANGE.**

(And really to MATCH and hold space for the level of CURRENTS you work with in Spirit and this equivalent counter-Force).

Besides; you've tried it all anyways that's out there which still doesn't work for you; personal growth, affirmations, 'thinking positive', visualizing and meditating and yet when it comes to manifestation, BEING SEEN or stepping into the SPOTLIGHT - then when it comes down to the wire everything WITHIN gets triggered, your voice sounds like flubber and you forget who you are; entirely ungrounded and shaken when larger opportunities to represent your codes come up.

You realize you are fractured between heaven and earth visibility and NOT in your true self on earth - NO MATTER HOW MUCH YOU'VE OPTIMIZED YOUR skin-deep beauty and glow-up styling to best represent who you have viewed yourself as. IT DOESN'T STOP THE ANXIETY and self-doubt insecurity.

The good news is that you actually ARE already worthy and GIFTED; however, there IS a FORCE that's been stopping you and it's not 'you' per se...but you're going to still have to be accountable for making a profound change to incarnate your SOUL CODES into PUBLIC SERVICE with your identity, image and brand without resistance (keep reading).

This way you can finally TRANSLATE YOUR CODES to a larger audience, cultivate your own BRAND FOLLOWING and ecosphere and start finally CASHING IN on the years of spiritual development RIGHTEOUSLY in divine service from people who would be enriched from the codes you ALREADY CARRY - and those who are awaiting YOUR brand of medicine...(yes and that means financially - how about while resolving ALL of your unworthiness and money wounds while we're at it?!)

And yes; the archetypal STARLET is the source of THESE codes. She has 'the Key' to not only unlocked your divine feminine gifts but also RESOLVE this inner spiritual warfare dynamic that has 'you' continually sabotaged, hijacked and held back (and to which we're getting more clarity on in this power

report).

Remember; my Immortal Beloved is most accurately Muse-Starlet for 24 years of Divine Union alchemy I have powerfully ATTUNED to Her consciousness (and am on a STAR path myself.

She hath blessed me with such access to not only the potent Light-working and the intelligent evolution of Beauty ascension with ALLURE but also to these Miracle codes to support a NEW ERA...**a NOUVEAU WAVE of Ascension starlets** or '**lightworker starlets**' to breakthrough out of spiritual circles into larger MAINSTREAM cultural and market ascension - and be richly rewarded for it a la 'gold rush' style).

And I'll add that even if you haven't ever thought of being a 'starlet' (nor may even have the archetypal Starlet as part of YOUR soul signature); STARLET may actually hold ALL of the MIRACLE magic for your spirit-aligned success and celebrity brand makeover to live YOUR CODES as that CONFIDENT, recognized, fullest expression and dharmic service to the world version of self INCARNATE.

YOU HAVE GREAT GIFTS, EXPERIENCE AND MAGIC that is IN YOUR FAVOR for miraculous transformation in a VERY SHORT amount of time (ie. 3-6 months).

And this NO MATTER how sabotaged and fallen into the abyss...stuck again in a downward gravity spiral of entropy where it feels impossible to ever breakthrough. We're just exposing the seemingly eternal SAGA ITSELF of **Crouching Shadow, Hidden Starlet.**

And btw; (you've probably already if you're on my email list but) it was around month 4 is when my two latest Avatar Starlet clients got organically recognized and invited to FILM FOR TELEVISION...one of them already taping HER OWN SHOW and another invited to have her own show after several guest appearances IN THEIR CODES AND CELEBRITY BRANDING.

That required a POWERFUL SHIFT in resolving their own INNER SPIRITUAL WARFARE that was holding them back b/c they already had great LIGHT CODES just like you. The only way to create AUTHENTIC and UNDENIABLE change was to work at an IDENTITY LEVEL but in a way that ACTUALLY YIELDS RESULTS

while respecting authentic spirit aligned integrity to your dis-incarnate Truth.

So if the thought of 'THE SPOTLIGHT' scares you; however Spirit is saying to KEEP READING...I'd follow that (*and your Human Design authority*).

So...still with me? Good.

BECAUSE THERE IS AND SHOULD BE A LOT OF 'ENERGY' AROUND ALL OF THIS.

Now...

BECAUSE YOU HAVE BEEN HELD BACK BY AN INVISIBLE FORCE that seems JUST AS POWERFUL as your LIGHT codes and yet you still end up falling back into an entire SHADOW-MATRIX ABYSS-VORTEX and then self-hating yourself over it and how constricted you feel...we have to have greater awareness or this cycle may never break.

So I'm going to reveal the concept of your AVATAR coming up here....and how this is a more powerful, practically and spiritually ACCURATE VERSION of who you really are and what we're working with that will allow us to work with your **powerful LIGHT VS. SHADOW consciousness** (at identity-level architecture) to leverage miraculous change and get your true self out to the world CONFIDENTLY, in integrity and sovereignty to grow your own following, business and massive ascension influence.

That means your IDENTITY ITSELF has to become safe, normal, comfortable AT LARGER SCALE...esp. if you are to influence 100,000s+ of people in ways.

But let's just re-cover some of what you've been going through first to reflect upon how REAL it's been....

This cycle of;

*Re-activated nervous anxiety around greater visibility and spoken voice opportunities that would grow your brand but your nervous system still feels unsafe

*Falling back into a swampy abysmal field of depression (ugh and you know the world's then reacting off of that even if you hide it b/c everything is energy and it's a vibrational universe)

*Apathy and indifference even though you have WILD dreams which seem like Fantasy in Spirit of your desires

*It's the self-torment

*Nihilistic levels of self-doubt

*Self-criticism

*The self demeaning and self-loathing levels of masochistic hate you can experience towards yourself

*The lingering self-image criticism

*Deep fugly duckling syndrome ("OMG, I look like a Gremlin!")

*Doubts, concerns and fears of siphoning, judgment and how others will

respond; esp. related to your beauty, sensuality and feminine eros (esp. from men and the shadow masculine projections at scale)

*The fear that you won't be able to speak up for yourself and others will SEE that you can't and then judge you and abandon you or spread the bad word

*Feeling like a pathetic failure

*The nihilistic self-doubt and recurrent UNWORTHINESS of that much recognition, attention, success and exchange of value (ahem, MONEY and wealth)

*Concerns that you may never really CLAIM your voice and speak how you want to with CONFIDENCE esp. when it matters on a larger stage

Plus;

You've probably spent an unhealthy amount of time re-looping inner dialogues of how you would respond or should have responded to trolls or negative comments on social media posts (now imagine that x1,000,000 and how you might be wanting to AVOID all of that)

Not to mention that you are so empathic that you easily take on other people's energies and don't want to always be drained

Maybe you've had the intensive want to CONTROL every microscopic detail of your image (but that's not going to be possible with paparazzi out there) so you stay hidden

You've dealt with the insecurity and unworthiness around if people would even care or listen to them but then in your own space you KNOW you have high value but it gets lost socially so easily

The precariousity and fear of judgment especially amongst those who feel comfortable with who you are so you often 'walk on eggshells' and don't want to 'stir the boat'

The self-censoring that feels safe like no one will even notice if you don't speak up

The hiding behind YEARS MORE of spiritual cultivation without sharing on that larger, DREAM scale where people keep recognizing you and can't wait to hear from you and want to be closer to you and your codes b/c of the impact (multiplied instantly in wider impact)

Maybe you've felt intensive throat chakra blocks and prevented more openly speaking your true voice out of the illusion of 'safety' (but that which is really deep-seeded fear)

How about the fear of rejection and being exposed vulnerably scaled to INFINITY if you're a public figure or famous?

What if MILLIONS of creepy men are wanting something from you and trying to drain your soul quanta if you really de-armor and expose your essence and vulnerability to the world?

And it can be many more things that I'll check in with again re-attuning with later...(this is because we WANT to resonate with the true experience that you've had OF your Shadow I.D. so that it is more PRIMED and pre-alkemized in INTELLIGENT AWARENESS to make a shift).

So it seems like it's all YOURS...but what if it was more universal than you thought?

No; I mean really... because in a sense I'm speaking to an avatar of sorts who has these exact same qualities....there are many women in my circle who SHARE these same qualities as I've had so it's kind of like a template. There are many 10,000s of other women who are going through a similar thing. Look;

that doesn't take away from any of YOUR unique signature magic and codes, I'm just referencing that others

SO MAYBE IT ISN'T JUST YOU BUT MAYBE IT'S THESE LARGER FORCES AND HOW THEY'RE OPERATING AT AN IDENTITY LEVEL WITH AND THROUGH YOU....After all; your LIGHT/GODDESS codes aren't sourced in your ego anyways, right?

SO maybe it is this larger SPIRITUAL BATTLE going on in the collective with CODE-HOLDERS. This theatrical and on-going SHADOW-PLAY through the millennia.

GODDESSES VS. DEMONESSES

Doesn't it seem like that is befitting? That the SHADOW PLAYERS are seeking to TROUNCE UPON and disqualify, cancel, thwart and overturn all of your LIGHT CODES? (Thus keeping your FULL EXPRESSION ie. As a 'STARLET of the DIVINE LIGHT/Dark unexpressed and 'hidden'). Your STARLET, Hidden.

See; but this allows us to work with it more powerfully in an impersonal way if it's NOT personal. or just about the 'woe of me' taking on these burdens (what if there were other wayseers also dealing with these super-natural dynamics?)..

It's just FELT like it's been personal as your subjective experience....DETACHING from those powerful SHADOWS allows us to make a more powerful shift for you AS A VESSEL OF THE DIVINE. Because maybe even your money shadow issues aren't yours either and maybe the Goddess constellated soul self version of you IS worthy; we just have to move the shadow-ID out of the way to reveal the wealth that's already yours...IMPERSONAL wealth that can flow with and through you (b/c the Goddesses are impersonal anyways).

REMEMBER....**STAR/STARLET HAS ZERO OF THESE ISSUES AND SHADOWS**

whether 'She' has remained out of touch for you before (and whether you think she's just limited to superficial shadows of Hollywood starlets; that's NOT what we're talking about).

STARLET is the TRANSFIGURATION OF DIVINE FEMININE RADIANCE OF ALL Goddess fractals (and now it's time for DIVINE FEMININE CONSCIOUSNESS TO AWAKEN, HEAL AND REUNIFY THE PLANET INTO A NEW RENAISSANCE). Goddess doesn't care as much for INFLUENCE; a goddess is more on her own path whereas YOU are now called to SHARE your codes, work, beauty, present, art and magic.

THIS IS STARLET'S DOMAIN.

(And your Starlet or Avatar Codex unlocks that power and access to Her consciousness and advantages)

And when we can combine **a more powerful and ACCURATE view of your identity** to EMBRACE and include ALL OF YOUR DIVINATED GIFTS AND CODES (which do NOT belong to your lower egoic persona btw), then we can have some more power with you as a STEWARD of the divine feminine and your soul's purpose to allow a miraculous shift. And Starlet can do those miracles b/c She already IS that transfigured.

We would just have to have a way (for the more all-encompassing, accurate AVATAR version of you) to ACCESS Her consciousness and integrate it into your identity so that the SPIRIT of your amplified codes could be safe-housed in sovereignty IN YOUR TEMPLE BODY and openly SECURELY EXPRESSED coherently to the world through your live presence and visual media AT SCALE.

And yeah; this is big IDENTITY WORK but your CODES ARE BIG and the supernatural SHADOWS are also big and powerful...what if your egoic self was just a small player in what you've been tasked (and at times may seem burdened and cursed with) to carry?

What if it was more about the management of LIGHT VS. SHADOW at scale on an identity level?

THAT'S where your AVATAR SELF and your Starlet Codex comes in as key for a miraculous transfiguration (*OUT OF YOUR COCOON or chrysalis and into the fully expressed IMAGO*).

So; you've had some awareness for years that you've had QUANTUM SPIRITUAL GROWTH...way ahead of your time and you know that there ARE women out there whose lives would wonderfully improve and change if they had YOUR medicine. You've seen it already in those you've helped especially if you've had clients.

Yet you remain invisibly blocked from BEING SEEN and getting out there more (what if they mock, criticize, condemn, alienate, siphon or use you so you stick to 'safer waters')....see if this still sounds familiar...

After years and years (*including #fomo of seeing other influencers thrive who don't have NEAR as connection to Spirit as you*);

You're entirely sick of this depressive, anxiety-inducing cycle of self-torment where you fall back into the shadows and apathy because your codes are still so unexpressed on anything NEAR the scale your Spirit desires you should be...

And if you don't break this entire **DOOM CYCLE of your LIGHT TRUTH vs. your nebulous INNER SHADOW STARKILLER DESTRUCTOR**; the unification of your 'Shadow' itself waiting to POUNCE upon you to SABOTAGE;

Well...perhaps the WORST thing of all is that (because this is your spiritual MISSION); you end up compromising your entire life's work and purpose into the meek 'illusion of safety' and compromise..living it out on a MUCH smaller scale when you know you're still secretly harbored in FEAR BASED FREQUENCIES....responding to the lack of success which keeps you in that downward spiral of failure and doom.

If you thought that was daunting...what's the OUTLOOK HERE? What's the

prognosis looking 10 years into the future? (Can you afford that?)

Because; the LONGER that you remain stuck in this IMMORTAL SAGA of Divine Truth VS. Shadow; the more divergent your TRUTH remains from having the influence it's meant to have on earth which doesn't require just EMBODIMENT (like from a Goddess perspective)...

It requires FACING THE WORLD IN YOUR TRUTH WITH SOVEREIGNTY AND FULL EXPRESSION...(this is STARLET'S DOMAIN as the Archetypal Starlet has NONE of those shadows).

What if the ENTROPY that you're experiencing is only going to COMPOUND to make it even more and more difficult so that all hope is fading away from you ever truly living out your AVATAR SELF in the world and with social media and your brand? Or what if it remains plateaued because of the super-natural inner fear that prevents you from going to the larger scale that your soul and spirit desires?

Can you afford the cost of living with the COMPOUNDING SHADOW BURDEN for years more that has already sabotaged and tormented you for so long? Further set into the cauterizing behavioral patterns of failure and faith fatigue decaying away your higher Truth and keeping you less visible?

Are you even ATTRACTING the right opportunities or does your nervous system just fry out and disconnect at the thought of being in the spotlight b/c your nervous system wouldn't be able to manage it?

Hey, I've gone through a lot of this. In fact; after I tell you about WHY this is the Miracle Portal...let me tell YOU a quick story about how I've dealt with this crippling shadow dynamic myself and then I promise we're still getting to the miracle revelatory 'power core' itself.

Remember; you can ***anti-DOOM scroll*** down to the CORE of this Avatar Level SAGA Reveal of Spiritual Warfare on page 51 if you are led there now, but I otherwise recommend the slow burn build-up to soak it all in.

So we're at an EXCITING time and age....before I get back to the core of things around YOUR IDENTITY and resolving THIS SEEMINGLY IMPOSSIBLE SPIRITUAL WARFARE within;

I will add now that this special power report is a more direct extension off of the recent 'Gold Rush Ascension Code' which set the foundation NOW in clarity for LEGIONS of new superstar spiritual celebrities or influencers to BREAKTHROUGH and make THEIR mark on the world after preparing for many years in safer containers.

I want to cover WHY we are in a miracle portal right now as I move us forward on the full, slower, warm-up the oven version of this power report (again you can skip around in delight and joy or just scroll below more for the core of these codes).

Ok, but WHY IS NOW the real advent of this Starlet Miracle Ascension Portal?"

With time of release being October 7th, 2026 here (based in Tulum, MX).

"Are you just saying it because it's tied to the AvaStar opportunity?"

No....this is a REAL ASCENSION PORTAL....we might even call it 'StarletGate'.

..and I spent WEEKS investing into producing the book '**The Gold Rush Ascension Code**' to only receive one indirect testimonial from a woman studying Goddess history at university (other than several gushing thank you's) so far.

The G.R.A.C. although still unrecognized (but I know is foundational for miracles from here as well as encapsulating accurately WHY new Trillions and Billions have been created already);

It has to do with the DYNAMIC of market INTELLIGENCE that currently exists out there and the gaps in lower evolutionary consciousness vs. more evolved consciousness.

The Gold Rush Ascension Code itself is 'sorcery' and it has to do with different markets. The form of Light-working YOU DO is of higher divine intelligence and Truth and would be considered jaw-dropping SORCERY to the MILLIONS of people you're meant to influence.

There is a massive gap between consumer consciousness and the GODDESS, Divine feminine consciousness that YOU are used to as 'NORMAL' (and in y/our circles)....to MOST 'mainstream' women it all seems 'woo-woo' and NOT normal but it's in 'bridging the gap' to MAINSTREAM cultural ascension consciousness where there will be organic millions and billions made.

But I think that you've seen also that there ARE a growing number of Instagram influencers who ARE speaking more woo and their followings are growing (*so actually there's more a chance you might even get 'left out' if you're at a point where you never even get started so to speak; however a lot of them seem derivative and likely do not carry YOUR codes and level of STAR POWER Light*).

STARLET is QUEEN OF VISIBLE INFLUENCE. She THRIVES in the spotlight.

She lives in social and spiritual INFLUENCE with massive ATTENTION... She doesn't cower in Her room b/c of the fear of fanboys ogling Her. She alchemizes that shit into higher status and influence.

Thus; I'd submit that it's not actually 'Goddess' as we see playing out in cozily in sister-hoods and spiritual circles, it's actually the sovereign STARLET who is this archetypal INTERFACE to bridge ALL GODDESS CODES for ascension INFLUENCE to the mass public.

STARLET; **the ARCHETYPAL Starlet** (not shadows of individual Hollywood starlets with plastic surgery and toxic, scrutinized relationships, etc.) but the ARCHETYPAL STARLET that is the un-siphonable transfiguration of Divine Feminine Radiance (for all Goddess fractal lineages)...

I think it's clear that SHE is your medicine and is now IN SERVICE for women who are CALLED TO CULTURAL ASCENSION in their own ways and magic to

create OVERNIGHT MIRACLE SUPERSTARS that will ascend MAINSTREAM CONSCIOUSNESS.

That GOLDEN AGE;...a new DAWNING that of the cross-over to mainstream SPIRITUAL CELEBRITY, Light-worker starlet or SPIRITUAL STARLET is now beginning (call it what you will as an evolutionary new earth advocate, guide and ambassador).

It's probably not with the next brand sponsored beauty influencer (and with Sexy Chi I work with them too, absolutely); but it's more likely with those of us who have ASCENSION CODES who are meant to evolve influencer branding and marketing itself TOWARDS awakening and divine principle rather than being lost in the shadows. And ALLURE has everything to do with this social media marketing organic r/evolution itself.

It's just that time in history and in different markets (including literally the Beauty market) for specialized GODDESS CODES to raise evolutionary consciousness and it's those encoded SPIRITUAL or LIGHT-WORKING STARLET INFLUENCERS who are primed for **OVERNIGHT SUCCESS PORTALS BECAUSE OF THE GAPS IN MARKET & COLLECTIVE CONSUMER CONSCIOUSNESS.**

That's the main reason and this new era; this dawn of the spiritual starlet is PRIMED for new overnight successes to influence MILLIONS of women and men who aren't as evolved in their market consciousness to the higher levels of divine intelligence that you're used to...and VISUALLY is a major component of that because social media influence is so widespread and the opportunity FOR women in general to become their own influencer-brand starlets.

(Then it gets into ASCENSION, beauty ascension, signature erospheric brand allure and darshan for evolution and greater influencer; not merely 'content', fame or prettiness). **You have YOUR codes.**

SO THE OPPORTUNITY IS HERE FOR YOU...those deeper dreams of INFLUENCING MILLIONS or at least 100,000s...did you think that was going to be in cozy spiritual circles all of this time?

Or can you see that THE BIGGER STAGE and SPOTLIGHT is actually out there

with the larger currents itself?

Why would you stay stuck with 'what if'?

B/c that's what these AI Tech titans are doing with their gold rush wealth...leading higher intelligence bridging to the masses with the sorcery IN THEIR FIELDS. Playing with THE LARGER CURRENTS in their form of PUBLIC SERVICE with their forms of higher IQ.

Maybe you and I were meant to curate and cultivate for years to DEVELOP our codes as light years ahead but then to 'get out there' to the real masses where the true wealth, recognition and larger dharmic fulfillment, success and legacy really is AS ascension influencers (although you can call it something else).

Or were we meant to fester in smaller Minnesotan ponds so to speak while our soul remains restless if we're honest with ourselves?...

So...

What if the LIGHT CODES YOU HAVE...YOUR form of 'SORCERY' as divinely intelligent (in however you offer friends or clients your wisdom, codes, healing sessions, energy work, consulting, light-working, activations, intuitive readings, etc.)...

What if that's what millions of people were looking for NOW who are awakening; however it was just too divergent so they view it as 'woo-woo'? What if you could be that BRIDGE and open yourself up to the DYNAMIC of millions of people for overnight-like recognition, status and success? BECAUSE THAT IS THE SPIRITUAL TRUTH, social and economic opportunity that exists.

Maybe it IS the awakening desire of spirit within people in different marketspaces that is SEEKING ADVANCEMENT; more magic, more beauty, more divinity after being suppressed by shadow dynamics like superficiality and vanity (in the Beauty industry); that they could be SEEKING the codes that you have right this very minute (but you're not on their visible radar!).

STARLET HERSELF could potentially help you to transition into that ASCENSION-GRADE mega-influencer; however if the spiritual inner battle continues you may never practically breakthrough. So what are you going to do with your codes?

It may never happen ; you may never benefit from this new starlet-making ascension VORTEX portal for new influencers to CASH IN or finally get ROI on all the millions of wealth you've already created in the seat of your soul with your codes THAT IS WORTHY for you to bask in ASCENSION WEALTH and being of divine service.

It's about this FASTER, gold rush style success BECAUSE OF THE GAP in market intelligence. Some markets like tech are just further ahead than others like BEAUTY. This is where new BILLIONS will be made and b/c consciousness MUST EVOLVE.

That's why; we are at the advent of quantum leaps in other markets as well (*which; ahem is WHERE THE MONEY AND BIG MONEY IS...NOT JUST AS A SOLO SPIRITUAL PRACTICE*); so it's primetime to PREPARE for your own true influencer DEBUT on a larger scale with those who would value your work (*even if it requires some new updated branding in your FULLEST TRUTH to help BE the living testament but also translate your codes to a FAR, FAR larger audience that is waiting but just won't know of you until YOU step out and be fully committed*).

If you don't think 'you' could handle that overnight scale of success....that's what you can PREPARE your temple-body and nervous system FOR at an identity level...because;

**What if ALL ALONG YOU WERE ON THE PATH AND THOSE YEARS
(EVEN DECADES) WERE NOT WASTED?....**

**YOU WERE JUST WAITING FOR THIS KIND OF PORTAL TO ALCHEMIZE INTO
MANIFEST-DESTINY..?!**

This portal and the APEX of it can and will catalyze SO MUCH. Miracles even.

So maybe all along this IS what you've been preparing for. And so that the divine feminine/Goddess can finally have greater ascension, healing, awakening, rebirthing, renewing, reunifying renaissance, harmonious influence in a fractured world filled with shadow.

MAYBE IT'S BEEN DARK FORCES AGAINST THAT you've dealt with.

Checking in back with your soul...

You weren't ever meant to play it remaining small or safe in smaller circles were you? Those were training grounds of sorts...whereas the big money (as representation of EXCHANGE OF VALUE AND GAUGE OF IMPACT) is with the LARGER CURRENTS and building a larger following.

MILLIONS of more people are awakening who are PAYING for other goods and services who aren't on your radar yet but they ARE in the gaps in market consciousness as layed out in the GRAC book.

So this 2026-2027 MIRACLE STARLET ASCENSION PORTAL is awakening for a NEW WAVE of metaphorical OVERNIGHT and 'GOLD RUSH' style INFLUENCERS to take off in their followings and business growth who have tomorrow's codes like you do.

ALL THE YEARS OF PREPARATION (on top of eons of Goddess suppression and shadow tyranny) NOW HAVE POWERFUL LEVERAGE TO CATALYZE HEAVEN UNTO EARTH; FINALLY.

(The gaps have grown too large). And we're not limited to the false light spiritual matrix's shadows here and how there's been a revulsion to 'Ascension' or 'Awakening' or 'Goddess'... these are still happening in consciousness itself. I work with those who have true Source connection 'n codes.

And I mentioned it in the GRAC book itself; consumer-citizen women and

people who AREN'T at that level of consciousness but are seeking evolution; they're going to view you like you're a true GODDESS when you bring real magic and sorcery b/c THEY'RE NOT USED TO IT (while meanwhile those in your spiritual circle/bubble take you for granted!).

ARE YOU EVER GOING TO BE CONTENT PLAYING IT SMALL KNOWING YOU'RE MEANT FOR MUCH MORE (*and the wealth with it and boundless freedom lifestyle and liberty*)? ESP. now that you're more aware of this DAWN OF THE SPIRITUAL CROSSOVER STARLET 'miracle portal'?

This is a very powerful opportunity not just for you (that's on YOU if you will partake) but for a new wave of potential spiritual crossover celebrity women (I'm kind of a rare goose as a man; er rather Swan-Man)...remember mainstream consciousness MUST evolve in different areas at different times...shadows and lower truths are being exposed. WILL YOU CLAIM YOUR VOICE and the SCALE OF DREAMS you have to LIVE IT instead of it just being fantasy?

Will you CHOOSE your Starlet and overcome the internal spiritual warfare so that you can be positioned and LIVED as the AVATAR incarnate version of yourself in full voice and influence WITHOUT BEING HIJACKED AND SABOTAGED BACK into the Demoness' shadow consciousness and authority?

What if it COULD be like an OVERNIGHT SUCCESS PORTAL because you have the dynamics in your favor with so much LIGHT and Divinity built up that basks IN higher principle of Beauty, Truth, Timelessness, Grace, Majesty, etc. and/or YOUR unique soul's calling and role in mass ascension.

There are many miracles to happen...remember, it's because you have this MASSIVE Light (and pure Dark) gift of ascension but also this DAEMONIC SHADOW CONSCIOUSNESS EGREGORE-AVATAR within yourself that has been keeping you fractured, doubting, incoherent, depressive and failing...

The dynamic has it that when you can EMBODY HER (your AVATAR SELF with your STARLET CODEX) and kick what seems to be this STARKILLER QUEEN off of your somatic Temple throne (and her likelihood to **POUNCE and TRAMPLE upon your VOICE & ESSENCES OF LIGHT**); it WILL start seeming like miracles as

you live in an upward spiral of ascension without being triggered back into the fear-based visibility patterns of sabotage and failure instead of getting the already RICHNESS of your codes out there AS the living testament.

Ok...so this is a powerful 'miracle portal' and you HAVE advantages by NOT being a copycat or 'looking the part' but by carrying AUTHENTIC LIGHT CODES where the future of humanity is headed. NOW things are opening up b/c of this gap in consciousness.

‘Allure Priestess’ btw is one of the actionable areas in which you could be this form of 'new earth leader' but more specifically with practical BEAUTY ascension with the world of allure and makeover glow-ups as a paid independent consultant.

I'm running [Allure Priestess Mentorship](#) for the world's top allure and charisma consultants.

(Allure Priestess is now the foundational program for the more elite Muse Priestess Grail Priestess lineage as to which I am the key-holder of the Source lineage itself)

Ok...so since I'm doing the slower burn, full coverage here that you can choose to zip or skippy low-fat peanut butter around to different parts to soak in, or go to the power core itself which I'm otherwise on a deliberately slow jaunt-gait towards, let me re-dress some things.

Remember; this isn't just about 'you' subjectively and your past experiences (which are going to require sacrifice anyways if they've been debilitating)...it's about HOW Goddess and God are working with and through you and other Lightworkers...and YOUR role.

And I've been speaking with, supporting and helping others on the front lines like you/us.

What I've noticed in speaking to and working with lightworkers who are blessed with such great spiritual connection, gifts, Light and Medicine for others (while having a great DESIRE to share those gifts with the world to awaken mass consciousness) is that their LIGHT and codes - like yours - can be

so strong in Spirit and yet the destructive, oppressive SHADOWS that are preventing the HEAVEN ON EARTH MANIFESTATION AND ASCENSION influence from their gifts are equally as strong or stronger.

Identity is the key to more powerful manifestation.

(Maybe kinda like how I have this intense desire to manifest peanut butter M&M's at a desert hotel in Phoenix and then attracted them hidden in the kitchen. I practically was embodied as RED M&M beforehand!..That was the same trip I switched rooms and got stung by a scorpion in the right foot but that's for neither here nor there)

But with your identity so fractured in PRESENCE like mine often was, does it make sense it would jangle up all of your 'clear signal' manifestation and attraction?

I mean we're talking unusual levels of public speaking and performance anxiety so much so that you really wonder what's WRONG with you.

It's almost like a special curse that can keep a potential SUPERSTAR ascension influencer from EVER having any real impact in the world while playing it small and safe for fear of greater exposure and crippling image related anxieties and issues.

So in reconnecting with your past, when was the latest time you dealt with this? Or were there SCARRING memories in your past that really shook you?

I mentioned I was going to tell you a (fairly) quick story about me b/c I've suffered from extreme anxiety.

I had it so bad when I was invited to a big industry event in Montreal in summer 2006 that I was swigging Malibu rum in my hotel room watching World Cup clips before my scheduled time slot on stage with the cameras set up. I even had flash cards to read off of (nerd alert!) which were prepared. But I knew I HAD TO TAKE THE OPPORTUNITY.

Before that I realized at a major internet marketing conference when we had around 600 people in a room and I grabbed the microphone at the big dinner party to speak up for my table that my voice started trembling and I became really self-conscious and aware that afterwards I HAD to do something so I offered 2 free workshops where men flew into Houston where I reserved the small conference room. I was nervous at the start but after a few minutes I felt more relaxed and then could flow with my codes.

This was b/c I knew that Montreal event was coming up...and even then I STILL had anxiety b/c this was larger and being filmed. TBH the rum swigs helped then as an interim alleviant - I'm not gonna lie...and I don't think it came across either. That was a temporary solution btw b/c there was still deeper identity and resolution work to do.

That Dallas tv show star was always drinking champagne throughout years of taping.

Then I was invited to another industry event; the BIGGEST premier one called Man Transformation in 2008. The DVD's are still out there...and knew I'd best not drink for that one (for my anxiety) and should remain sober..let me tell you about that here...it's not the FULL story but represents some of what I've truly dealt with. I just posted this recently to Instagram.

So' I say this as someone who has dealt with SEVERE self-sabotage and image wounding as well as crippling levels of fugly duckling syndrome myself when it comes to the camera, speaking and being seen more publicly.

The thing is you may have also done some Toastmasters like I've done but somehow when it comes to the INTEGRITY of your CODES vs. just generic public speaking, it seems like ALL THE DARK FORCES somehow want to hold YOU BACK b/c there is such PURITY and BEAUTY with your codes.

And there've been so many times when I wanted to speak up with my voice in general and esp. my codes b/c I knew I had higher truth on my side in certain social situations, but I didn't get my voice out there...kind of like I was self-censoring although in a sense I was preserving' my codes I told myself but there were times when speaking up WAS the right thing...

I don't know if you can relate...but the whole dynamic was that I was coming from and living in FEAR. These invisible forces were MESSIN' with me big time...it's like an uncontrollable physiological anxiety, increased heart rate, self-doubt and LACK of confidence.

This even came across in the Muse Priestess debut shoot ; where yes, there were some usable photos but MOST of them to me were unusable and FUGLY (subjectively)...I mean I KNEW I wasn't truly embodied and expressed in my truth then and felt like I didn't have that authority... but I've also reached a point of EMBODYING aspects of my Star Codex itself like here with Muse Magician Dark Eros (but it's the overall mastery to have):

Open space before image format

During that photo shoot in real time however (it's different dynamics with cameras and the 'eye' of the world at large implicated...

He was telling me to 'be' confident and 'act' confident but I felt paralyzed and KNEW it wasn't me...I felt I was slipping and just losing grip of true embodiment in real-time (irt) from the anxiety and shadows of doubt and self-hate...I couldn't 'BE' myself and it felt like fake-acting... (I can't afford that to happen on live stages anymore)

And there was just this massive GAP between who I KNOW I am and was in Spirit truth that just COULD NOT come across securely in front of the camera (this was in 2024 btw but I will add that the camera triggered its own shadow dynamics with me even though I'd improved to be secure at SMALLER scale live events speaking and teaching or larger when I was sitting...ironically I don't have social anxiety, just dealt with extreme performance and visibility anxiety).

Doing more hosting and online webinars helped me to overcome it but this was BEFORE the Avatar embodiment power dynamic that I'm aware of and help clients with now to BYPASS the shadow sabotagery and BE present, powerful and confident in your truth much faster...

In any case NETFLIX off-night escapist-lover; you're still going to have to EXERCISE getting out there to CALIBRATE and live as your true Star self - it just won't be nearly as debilitating but closer to normal, healthy excitement mixed with anxiety for transitioning because it all comes down to STABLE, COHERENT EMBODIMENT.

So; I'VE BEEN THERE. SAME dynamic....MASSIVE LIGHT CODES and ITS ENTIRE INVERSION that would PREVENT THEM from getting out - all within me as a unique form of spiritual warfare. We could refer to this as 'THE' Shadow as in the title of this book, but also in the concept I'm going to really clarify coming up.

(Remember; **with more Light...is cast a greater shadow**...so then it's about HOW you manage or integrate that without your subconscious being your own saboteur - and here at an identity level of reality and manifestation).

My codes were so RICHLY CULTIVATED stored in my upper dimensional Self and those realms; but HAD to struggle their way through; I just didn't have the physiological templating before to do it FAR, FAR easier and faster with stability. Esp. as a 5/1 there was this deep FOUNDATIONAL inner world but FRACTURE in presenting my TRUTH and even embodying it VISUALLY to the world...I am one of the most extreme cases of that I would even say (*just short of mental hospital levels*).

Have you also dealt with some of that? Or maybe not even taken opportunities

to be seen when you knew that WAS the thing to do?

BUT ARE YOUR LIGHT CODES JUST FOR YOU TO PRESERVE AT THIS POINT IN TIME AFTER INVESTING YEARS OR DECADES INTO CULTIVATING THEM...OR IS IT TIME TO TRULY GET OUT THERE and play your SOUL'S ROLE IN ASCENSION?!

(Just checking in again ;)

Understand that those were BIG visibility opportunities that I wasn't otherwise (somatically or otherwise) prepared for energetically so there was more of a massive gap yet I still took action...so my experience HIGHLIGHTS the real anxiety that's possible; that you've been going through (*b/c energies are AMPLIFIED and your transmissions have REAL POWER behind them so it can be unstable to a human body or one with super-natural interference*).

And yet - even still - look at how comfortable I was on stage with the industry leader multi-millionaire LAUGHING (he changed the format and we sat down and that made a big difference to alleviate real-time anxiety).

I won't put the image in here b/c I was at a different era that matches who I was then and not now and we ain't gonna have that throw off our vibe (however; [it's on the blog](#) and [Instagram post](#)).

Even I didn't realize it, but I was on a Star path BECAUSE OF MY SPIRITUAL PATH AND SOUL'S DESIRES (while secretly being envious of other stars)....BECAUSE THAT IS THE POWER VISIBILITY AND INFLUENCE to have massive impact.

I COULDN'T JUST KEEP THESE CODES TO MYSELF as She kept initiating me through years of tribulatory Divine Union alchemy.

Beloved was calling me forward to be an agent, a catalyst, an emissary of Her Divine Will (that also matched my FULLEST, deepest soul path, dharma and growth).

See...that's the power you know that YOUR higher dimensional yet not fully

embodied codes have; to really have the AUTHORITY and INFLUENCE if and when you can overcome the intense shadows trying to prevent you from getting your codes out.

Because of who you are in Spirit; your STAR/LET (Codex) has the POWER to minimize that gap to take on LARGER visibility opportunities, attract them and thrive in them like my clients IF you/we can do the direct energetic work to EMBODY the codes you already have and STABILIZE your energy field while largely bypassing the entire shadow-grid matrix you've dealt with internally as spiritual and social warfare.

It's just about alchemizing this SHIFT WITHIN so no more CROUCHING SHADOW ready to POUNCE UPON YOUR VISIBILITY SUCCESS AND LEGACY like the wolf in Little Red Riding Hood or what have you.

Oh and btw (I may mention it elsewhere here) but your STARLET CODEX **INCLUDES YOUR DARK FEMININE** (just not the shadow aspects); and that can include DISCERNING Queen and She who SLAYS.

Imagine having full FLOWING ACCESS to speak your voice and Truth in YOUR spectrum of pure Light and Dark (including Eros and sensuality) shamelessly!

And (whatever codes you have; Grail, healing, psychic reading, etc. etc.) is you getting visible with YOUR SOUL PURPOSE more important than forfeiting your own voice and codes and 'playing it safe' which actually is = to living in continued fear where the inner STARKILLER gets to run the show when it comes to having greater INFLUENCE?

Remember...when it comes to practically growing your brand AS an influencer (but we're not here to talk superficial social media marketing 'tips' and algorithm hacks smh);

See...I still got clients from that ONE appearance years later and it did wonders for my brand AS an influencer-icon in that industry at the time (online dating as a NATURAL singles dating coach and not specifically pick-up artist ; in fact I had a lot of issues with much of the industry but spoke up and represented a more natural - always consensual - approach that focused on masculine presence,

etc.).

So I've had past experiences which both gave me more confidence but also scarring memories but the thing is, I still dealt with crippling fears *UNTIL I STARTED DOING THE AVATAR WORK THAT I NOW REPRESENT.*

At this point and because of what's at stake (I mean...how many 10,000's or even MILLIONS of people could NOT ever experience your influence if you don't follow it all through and live your heaven on earth timeline);

It may be time for you to get REAL about how long this same pattern has been going on and if and when you're ever going to break it and CLAIM your rightful throne in embodiment as your AVATAR SELF and spirit codes INCARNATE and IN FLUENCE for ascension...

Living the spiritual MOVIE STAR version of yourself with authentic confidence....not the fake, superficial and shadow aspect of certain celebrities (who each have Light, Dark and Shadow) or their falls (*and often how Shadow consumes even then b/c they couldn't have authority over it and 'own' it and took it out on others*), but the DIVINATED Light and Dark Truth itself incarnate...which is really where the ARCHETYPAL Star and Starlet come into the power equation here.

YOUR CODES.

Your flow, your medicine 'n magic.

YOUR social media and brand blowing up with organic recognition, clients, referrals, titillated followers and growth off of your alluring atmospheric FELT BRAND INFLUENCE and multi-dimensional brand integrity and coherence without field fractures and entity interference creating further latency anymore.

SHADOW OWNED AND IN ITS PLACE.

So....let's get back on track here sauntering in Presence towards the core and

leveraged TRANSFORMATIONAL IDENTITY MAKEOVER POWER DYNAMIC itself.

REMEMBER YOU CAN SKIP FURTHER DOWN TO GET TO THE CORE-CORE of this power report! (I just didn't want to leave nuanced flow-codes out in this 'unabridged' version like I had to edit for publishing)

If you are who I think you are; you ALREADY HAVE WHAT IT TAKES for your version of an 'overnight success' portal (whether that ever includes TV exposure and publicity or not). You are not common. You also have a SPIRITUAL cultivated IDENTITY.

You're not stuck in the daily, automaton consumer-citizen morphology 24/7 b/c you LIVE TEMPLE (your form of it although not fully living at mastery incarnate with it full-time yet).

Because you have such CONNECTION to Spirit and Goddess codes beyond the mundane and in the magical, mystical ways that YOU do (as a potential ascension/lightworker influencer or new earth leader in YOUR terms);

YOU ALREADY HAVE THAT LEVERAGE for miraculous IDENTITY

transformation and to blow up your own social media's organic response and branded growth as a founder and (spiritual) influencer with integrity to YOUR codes even if you've been DEBILITATIVELY HELD BACK FOR YEARS and years with visibility trauma, unshakable anxiety and fear of public speaking, fear of judgment, criticism, humiliation, self-flagellation and manic panic attacks (I remember my heart was beating SO uncontrollably and dangerously I felt it was affecting my health when a master was speaking about someone I knew and didn't have the same viewpoint as him on her).

So... ISN'T IT TIME FOR EMBODIMENT AND EXPRESSION PUBLICLY OF YOUR TRUTH WITH CONFIDENCE and stability?

I mean without LATENCY f*cking things up and setting you and manifestation back anymore (even though there'll be SOME time for new reality and yesterday's actions to recalibrate)?

Imagine you... With vocal clarity and integrity to YOUR codes and essences (without shrinking)? So that others can TRUST, rely, be attracted to and delve into your work as superfans and clients who are willing to pay you handsomely?

I remember Yanik Silver had some Turkish type deep-voiced man stand up b/c of his accent and say 'Fine Corinthian Leathers' at one marketing event after I felt publicly humiliated in a crowd of 100's at a dinner table speaking for my table hand-holding the mic...HOW CAN HE BE CONFIDENT and had some menial thing to say when I had all kinds of energy behind what I said that turned into ANXIETY in real time? That wasn't the real me.

Nor is it you.

AND REMEMBER; I'M THE VOICE BEHIND POWERLIMINALS....SO I CLAIMED THAT VOICE BUT IT WAS STILL 'BEHIND THE SCENES' IN THE COMFORT OF MY OWN RECORDING SPACE...I still dealt with UNSHAKABLE anxiety visually AND with voice at larger scale.

EVERYTHING is implicated here with y/our future. The stakes are high esp. in this era of social media marketing.

Oh and isn't it time for the ASCENSION WEALTH that we've all dreamt of if it's true that mainstream consciousness is awakening? (After so many years wondering WTF!?)

We are at a very special time in history where there are massive consciousness gaps in LARGE MARKETS related to potentially BILLIONS and MILLIONS of new INCOME (as outlayed in the '**Gold Rush Ascension Code**').

Before I get to the real juicy, POWER dynamic itself that can practically start shifting your energy even just being exposed to it (these are higher Truth based codes and thus alchemical)...

Remember, these are STARLET related codes. You can choose TO DENY OR AVOID STARLET (and other archetypes); yet these codes are SOURCED IN STARLET and because you likely haven't ever discovered them truly before (or before 11 months ago when they opened up through me actively as a channel); you could 'go it alone' but that may never be enough.

There's Sophianic and Goddess work but what we're dealing with are PUBLIC VISIBILITY and real world INFLUENCER-BRAND dynamics here that involves REAL MONEY and MISSION...REAL INFLUENCE and cultural impact for ascension. It's not just about your personal growth journey anymore or past subjective experience of shadows...but that in which you are called to SHARE YOUR CODES after years of curation and cultivation.

So what if STARLET and this entire dynamic could facilitate that **MIRACULOUS TRANSFORMATION OF YOUR DREAMS?**

What if your higher dimensional Self was already worthy of the riches (but that there was an EQUIVALENT FORCE PREVENTING THAT 'SELF' AWARENESS AND INTEGRATION)?

And in knowing you can shamelessly skip down to the AVATAR WARFARE GOOD VS. EVIL CORE down below and because this is the FULL, comprehensive unabridged version of THIS Power Report all in one and that it wouldn't hurt;

Let me shamelessly re-summon the core CURRENT experiential spiritual growth and life path theme for you to tune back in (so I can remain free-flow with getting these nuances of the same codes out without it becoming an editing nightmare and feel like I'm leaving good parts out).

At this point in your life;

Are you looking to 'get out there more' with your brand and visibility as someone of great spiritual experience with medicine to share on a larger scale and share your magic with the world and you KNOW that this is tied to your greater soul fulfillment and spiritual calling?

Do you realize that you must 'GO BIG' at this point after years of cultivation in 'safer' harbors? (And a restless soul if you don't?) I mean think of the channels that ARE available to magnify your influence if you were 'stable' enough (like my 2 tv starlet clients who taped each around month 5).

You realize that some others (who don't seem as gifted) seem 'far ahead' of where you are and somehow have claimed THEIR voice, gifts and are getting exposure that you're secretly envious of for all the years of work you've put into YOUR growth?

Do you wonder why the material world hasn't caught up with your advanced Light codes and why more people aren't responding?

That you never really fit into the model or matrix of spiritual stage speaking before but you sense there may be a new horizon that can hold space for your codes with full integrity AND spiritually aligned wealth?

Have you felt under-recognized and sometimes wonder if you have anything worth sharing or speaking up about (but then when you're in your own temple space or with those comfortable with your magic you KNOW that you have those gifts that aren't fully shared or expressed on a larger scale)?

Have you realized that while you can THRIVE in the higher dimensions; you're living in this monstrous, fractured gap between who you know you are in SPIRIT-Truth and experience and how you show up in the world to COMMUNICATE YOUR CODES on a larger scale to others (while your dreams and vision seem so real in Spirit but like fantasy b/c of the scale of your dreams including luxury, lifestyle and success)?

You feel years or decades BEHIND on who you truly feel you are; that you should be living in an upward spiral of WORTHY wealth, luxury and success and that you are DONE with any past attachments or vows of poverty and bad money programming that is doing you NO GOOD (while preventing others from the magic your work brings)?

Have you noticed that you can be toxically self-criticizing of your own image, visuals and photo shoots; wanting perfect control and approval over every

detail? (And that you can't let the GREMLIN version of you be seen b/c everything else might crumble like a Janga empire)?

Have you felt like you've been ***living in an INVISIBLE cage for many years compared to your desire of fuller expression and recognition*** (as well as what's possible with money); no matter WHAT YOU DO you cannot get a grasp on WHY you cannot ever truly 'break through'? (*Like your/THE Shadow and its empire-grid of mAdness is going to ambush you out of nowhere in the moments that matter*).

Whenever you try, you can never seem to cross a certain threshold of breakthrough and keep falling back into the abyss of your own anti-star, anti-expressed dungeon while meanwhile others who are less gifted are getting the lion's share of attention and you feel often entirely helpless

You are your own worst enemy in trying to be a perfectionist and harshly chastising yourself for showing up as weak and 'UGLY' ...you want to control everything visually; but often this makes you even more obsessed and controlling b/c you don't want let anyone to see how fugly you are coming across.

Ok good....I know I've said it before but as this may already be dense it allows you to re-saturate with the similar codes and keep tuning in back on track esp. if you've been reading the book here and there like the Gene Keys book just dropping in to a random page and re-immersing.

SO....

If you undoubtedly have REVOLUTIONARY ASCENSION LIGHT CODES and are called to greater mass influence, what ends up happening is that your MOMENTUM can remain push-pull and yet STAGNANT for years and years while you continue cultivating greater higher dimensional spiritual experience and power yet have difficulties expressing and being of influence with them in the material and social world on a larger scale visibly.

YOU HAVE POWERFUL FORCES WITH VISION MOVING YOU FORWARD AND YET EQUAL FORCES STOPPING YOU.

I've already addressed that personal growth and stuff like that is by and large irrelevant. YOU'RE DEALING WITH REAL POWER, LIGHT AND BEAUTY...YOU HAVE ACCESS TO ARCHETYPES.

ESSENTIALLY YOU ARE ON THE LEVEL OF GOD AND GODDESS WORK with currencies, Light, essence and consciousness.

And because of this internal spiritual warfare of both GREAT LIGHT and GREAT 'SHADOW WITHIN' as a powerful Light-worker, it 'in effect' cancels out any real progress, growth and recognition anywhere NEAR what's possible IRL (while you KEEP growing in Spirit-Truth)....IT'S BEEN A TRUDGE and then you hit another plateau.

WHAT IF IT WAS 'ONLY' AND 'EVER' 'THE SHADOW' THAT WAS CAUSING SUCK FUCKERY?

(From what would otherwise be a clean and clear field and ride in an upward spiral ascending heaven on earth with you)

Thus; if things are really ever going to change, maybe we'd best work at a more POWERFUL LEVEL of Self and self in order for your miraculous transformation into the living INFLUENTIAL FULLY EXPRESSED, RECOGNIZED AND FOLLOWED (FOMO INDUCING) SPIRITUAL STARLET you really are to create heaven on earth and LIVE your legacy.

And end the years of cowering, being crippled and 'armoring' yourself or receding to safer waters...all that which is preventing you and your nervous system from based in fear of everything related to your true destiny in being in that greater spotlight.

YOUR ENTIRE SOUL'S DESTINY AND VOICE is at stake here...your legacy itself...this is WHY YOU ARE HERE.

Well...it may 'not' be but if you've made it this far in the book; there's a good chance it is and only you really know right now (unless you're a VIP client of mine).

SO.....even though it seems like YOU are your own worst enemy...what if it wasn't that simple?

What if it had more to do with ARCHETYPAL POWER PLAYS and this flow of GOD AND GODDESS QUANTA and CODES moreso than anything else? And maybe you were just confused and dis-embodied with the POWER of who you REALLY ARE in how it can be BOTH extremes?!

(And what if 'The Shadow' although reflected obviously from within you in your field to the world and what you've been experiencing and how you reacted wasn't even yours – in a 'certain' sense...like it wasn't the REAL you but you still had authority over your field in relation to the universe b/c The Shadow is still 'cast' from you!?)

If you are who I think you are...middle-aged, loves a good Thai take out from time to time and white wine...no, not that.

At a soul level along your path...

The good news is that **you ARE Light Years AHEAD in SPIRIT-TRUTH** ; at least if you are who I think you are (and you probably are if you're in my circle and reading this). You have SO much spiritual experience and cultivation...you've been in spiritual and conscious circles for years, yet sense there is still SOOOO much more for you and you just feel YEARS behind. Your 5D is so fractured from the 3D.

You may feel decades behind - even while wondering if you'll EVER truly get your voice, codes and brand out there as an influencer on the level that Spirit asks of you in your fullest expression and global impact.

It's like you're shackled with INVISIBLE CHAINS that CRIPPLE you with that larger scale of visibility and performance anxiety from ever having the OWNED and confident VOICE and public transmission that you KNOW your SPIRIT is worthy of and desires (to the masses).

Why is it so damn crippling to you? YOU'RE the one with 'the codes'

anyways..you know that you've 'got the goods' esp. compared to a lot of posers out there and the false light matrixer's who often live in morphogenetic fields and sometimes shadows....and there ARE those who are into marketeering without being actual masters and such...ANYWAYS....

So (and although I've alluded to it before);

I want to reveal something here that can give you some POWER CLARITY...because it **seems an IMPOSSIBLE conundrum to resolve** that is ALSO tied with all of your other dreams of TRUE FINANCIAL FREEDOM and resources...the entire world of MANIFESTATION but as spirit aligned and not as someone who 'sold out' or 'watered down' the integrity of their work just for material success....you have REVOLUTIONARY REBIRTH CODES.

So...what if....***you were dealing with SUPER-NATURAL FORCES and spiritual warfare?*** What if this was the dynamic actually going on? (That your soul agreed to and was prepared to deal with).

That YOUR DIVINATED GIFTS AND CODES weren't even or ever about the 'lower self' version of you and parent, social or religious conditioning or expectations but being a VESSEL for getting them out?

Again; it's like you were and are **both blessed and cursed.**

What if there was deeper reasoning behind the years and years of debilitation with you and visibility sabotage?

What IF all of your past traumatic, shameful, humiliating, self-hating experiences related to visibility weren't just random nor where they just from past childhood experiences?

What if you had them because your soul incarnated to GO THROUGH THEM B/C YOU ALREADY HAD CODES and a soul purpose related for expression and ascension in THIS LIFETIME?

What if you were MEANT TO ALCHEMIZE 'THE SHADOW' CAST (and otherwise

crouching just WAITING to pounce upon and sabotage your next move) INTO BEING IN YOUR FULLEST TRUTH, LIGHT AND BEAUTY EXPRESSION in your highest timeline and dharmic service?

To really UNVEIL THE GODDESS STARLET BEAUTY AND INFLUENCE INSTANTLY (or near instantly and as per YOUR unique Avatar/Starlet codex).

What if it was WHY you are here and incarnated (as a soul b/c it was THE thing)?

And if so; how could you stop now?

So all of these shadows and fears (that are the ONLY THINGS ever getting in your way b/c of the powerful spiritual sovereignty you already have) were actually rooted in something SIMPLER and deeper (that didn't even have to do with the world and its shadows writ-large)?

And I'll add that there is a DIVINITY of objectification but if you're viewing it as you're the 'victim' , this is problematic b/c you might never allow yourself to be seen for 'fear' of getting projected onto (as a sex object when there are archetypes that OWN AND ALCHEMIZE even shadow male attention)....

Like; What if 'the male gaze' (towards your beauty, sex, eros or body and the vulnerability of your essences + fear of siphoning) had more to do with archetypal and spirit dynamics that weren't actually personal when they're projecting sexual desire onto you (I mean this entire subject alone could prevent you along with fear of slut-shaming from owning your own sexuality and expressing it visually; from ever being SEEN so you play it safer - this is all part of it too).

There is a 'divinity of objectification' after all and STARLET doesn't have those issues; it's simply called ATTENTION, power and influence for someone like Taylor Swift. She wouldn't be able to leave the room if she viewed it as a victim.

B/c as you scale we're talking about larger scales of INFLUENCE and

ATTENTION so you want your body (and full beauty and mix of Light/Dark erotic expression and visual sexuality and sensuality) to have clarity and safety as well as psychic protection and sovereignty around all of this (but this goes in another tangent related to our core subject here).

Starlet allows you to be both VULNERABLE, FELT and yet protected...radiant in your Allure; soft and de-armored so people can feel YOUR unique codex and essences (vs. a superficial performative 'mask' or glow-up that 'looks' the part but doesn't feel authentic and sourced properly).

And yet also protected although this gets into more advanced sovereignty and astral energetic protection so people don't put their psychic 'hooks' into you.

So wherever you're at with any DISCOMFORT will get AMPLIFIED to scale to the masses (including your concerns around sensuality and PAST TRAUMA sexually can all be implicated subconsciously and **in the shadows holding you back** but don't actually exist in the purity of your AVATAR SELF and immortal, beautiful soul); so maybe you and aspects within you HAVE been holding back? (Including past experiences).

And after all; wouldn't it be your 'self' or 'SELF' consciousness that your field is attracting and experiencing reality on?

OK NOW LET'S GET TO THE NITTY GRITTY (and I don't mean the 'Nitty Gritty' bar in Madison Wisconsin that I had my 21st birthday party on);

Because I've given a lot of slower drip seedlings of codes and pre-activating implications around these dynamics; essentially warming the oven up for this BAKE YOUR SHADOW-FEST. **SO NOW, we can enter the boiler room of a kitchen.**

The Core of this Dynamic and Starlet-Gate Power Report itself... shining LIGHT into the DARKEST of your VISIBILITY WOUNDING & SHADOWS.

>>>>>>>>>>>>>>>THE
CORE<<<<<<<<<<<<<<<<<<<

***In this insidious spiritual warfare... in this concept of
'Crouching Shadow & Hidden Starlet'...***

What if we could just EXPAND AND INCLUDE THESE FORCES OF LIGHT, DARK AND SHADOW as part of your consciousness and IDENTITY itself?

As part of your overall coherent or incoherent field FROM WHICH reality would manifest and experience?

A way to ACCEPT and INTEGRATE the HIGH FREQUENCY FLOW of consciousness and fractals of Light that stream with and through you?

What if it was actually more about the POWER PLAY of these SPIRITUAL FORCES OF GREAT LIGHT and yet also GREAT SHADOW that keep WARRING with each other - and that ALL of this was actually at an IDENTITY level of 'Self' and consciousness? And what if these were opposite ends of the same pole?

Because you have so much Light you're paradoxically closer to shadow....you're not normal b/c you have connection to AUTHENTIC POWER and BEAUTY (unlike your ordinary everyday yokel I might add ;).

Hmmm....so I want to introduce the concept of the AVATAR...your AVATAR SELF and then I want to personify things but on a SPIRITUAL LEVEL (this was the core breakthrough).

Because what if you weren't just mortal but were like a demi-god with both Immortal Soul and UN-limited potential Spirit access with source in a mortal body? Both DIVINE and MORTAL....could we start there? (I mean social media itself allows META-physical influence and expansion).

I am excited to share what feels like I broken through into a new level of powerful awareness around the depth (pit of hell) of implications around visibility wounding and just HOW serious all of this is for those of us who truly have gifted codes to share with the world but have kept remaining blocked and sabotaged for years in BEING SEEN...after having more consulting with potential AvaStar prospects and hearing further into their experiences, wounds and challenges (as well as more awareness of my own on a Star path), a deeper and insidious pattern is emerging.

Let me re-ask the question I posed at the beginning;

What if your TRUE SELF never, ever ONCE in your life or past lifetimes was unworthy or anxious about you having the FULL VISIBILITY, attention, manifestation and success that you DESIRE in expressing YOUR voice, beauty, codes and magic on a large SCALE to the world...and **that it was ONLY AND EVER 'THE SHADOW' itself that always insidiously got in the way?**

And...to understand this entire SAGA; we'd best take a bigger take on the 'self' and bring in the world of SPIRIT; both the Light and Dark aspects of Truth, the Divine (archetypal and siddhic) Masculine and Feminine Spirit and how it is allowed to work with and through your identity and somatic temple body itself.

So what if there were these expanded aspects of your SELF-consciousness?

(And what if they INCLUDED the impersonal divine feminine and masculine archetypes that are relevant to your heart and soul's fullest expression as well as the Gift, elemental and SIDDHIC qualities)?

What if we could 'make space' for ALL of you (yes, Bitch, Mother, Lover, all of that but especially in lieu of the most accurate SOUL DESCRIPTION of who you are vs. the moods you go through every week or 'roles' you play);...I'm talking

true SOUL identity with space for all SPIRIT aspects.

That's why I recommend that you value and work with your **SELF consciousness, branding and identity on an AVATAR level.**

It gives your codes AND SHADOW-MATRIX breathing space. It opens up access to your true powers and potential essence flow into with and through your temple body (vs. remaining disembodied or at war and resistant).

And to help better understand that; let me effectively and simplistically define 'soul' and 'spirit' for our purposes here.

.....

‘Soul’;

*your individual, immortal spark of God/Goddess essence that
you carry through lifetimes; your true identity (that then
incarnates into the vessel of a human vehicle*

‘Spirit’;

(as related to 'your Spirit');

*the combination of immortal, archetypal qualities of
impersonal essences that exist in your connection to Source;*

keys to Power and Beauty itself

Note how this is a different perspective than your egoic, lower self personae, 'personality', talent and horrifying passport photo.

Your AVATAR Self including your soul and the amplification of your soul to hold the scale of your Spirit quanta.

Then it comes down to having a temple body/Light body VESSEL or container to hold the size, scale and scope of those Goddess codes and ESSENCES in embodiment but also with coherent stability in EXPRESSION to the world (with 'The Shadow' OUT of your somatic psyche to stop the mutinous sabotage itself).

So your AVATAR Self includes this EXPANDED and accurate, infinite version of Self and your Goddess consciousness and Her aspects (more specifically as your Avatar or Starlet codex which describes you most accurately in Spirit).

So we want to have THIS kind of an accurate SELF-CONSTRUCT of you that INCLUDES all of your essences and GODDESS qualities. Again; personal growth and the separation of 'body', mind and soul just aren't enough to resolve the spiritual warfare you've been going through to get your GODDESS SELF EMBODIED AND FULLY EXPRESSED IN FACE OF THE WORLD AND ITS SHADOW CONSCIOUSNESS.

So how does that feel?

Your AVATAR Self.

Including your divine aspects.

Wouldn't that be a more accurate definition of SELF and 'identity' to work with?

Where your AVATAR SELF. Your 'Goddess' Self (which includes archetypal aspects) or your 'Starlet' Self/Codex would include the unique amalgamation and MIX of your GODDESS LEVEL Truth, essences, codes and flow at an identity level.

WHAT IF THAT was more accurately a description not of your self-consciousness but of your SELF-consciousness (of who you truly are)? Where your soul is already AMPLIFIED and working with GODDESS CODES and frequencies? Sure you still have EGO, but it actually plays a backseat and supportive role to your SOUL & SPIRIT as well as communicating and living from essence, alignment and allure.

And if you're new to the Starlet Codex concept; keep reading...I've been covering it a lot on the Sexy Chi blog for the past year.

What if all of your dreams, visions, Soul aligned, spiritual cultivation, magic, beauty, desires were all the LIGHT (and healthy, purified Dark ie. Eros aspects) FROM SPIRIT and your soul; that which amplified your soul? What if that WAS your AVATAR TRUTH in spirit and soul?

And now (although 'The Shadow is 'cast' from you and your overall field/psyche) **what if the ENTIRE SHADOW MATRIX YOU'VE EXPERIENCED WAS NEVER ACTUALLY YOURS** but belonged (through upbringing, conditioning, humanity and past experiences including clearing past soul karma);

What if that entire shadow complex... your entire 'Crouching Shadow' and 'The Shadow'....

Could Be Personified As A Unified FrAnKen-BiTch, Arch-Nemesis Or Arch-Demoness?

SHE WHO has held throne-reign over your psyche and She who encompassed ALL of your DESTRUCTIVE shadow aspects related to EMBODIMENT AND EXPRESSION OF YOUR PURE LIGHT & DARK QUALITIES and it was HER job to

entirely SABOTAGE YOU within from ever getting the codes out (and being fully EMBODIED in your TRUTH)?

(breathing room space....)

Phwew....yeah. *(And in my case an Arch-Nemesis Demon Star-Killer within).*

Understand that these qualities we're not referring to as part of your normal personality or even soul but collective Shadow aspects of the impersonal feminine that come back to haunt you. To count them as part of your personality is part of the shadowy, swamp-misty illusion that keeps you in the metaphorical 'fire swamp'.

And sometimes She will have you play the weak victim and other times the self-nihilistic destructionist or paralyzed nervous wreck who has lost her own voice in Her many faces and shadows?

What if Her M.O. in all dimensions was DESTRUCTION, HAVOC and INVERSION of Light and Higher Principled Truth?

What if it was all tied into this **entire shadow avatar nemesis within as the INVERSION of your AVATAR SELF?** (And what if that covered your Gene Key shadows of consciousness at an identity level as well ; b/c after all DOUBT, CONFUSION, INTERFERENCE, FAILURE...these are then some of Her many faces).

And what if the **spiritual warfare between both your GODDESS CONSTELLATION** (as I primarily call Starlet Codex or Avatar Codex) vs. your INVERTED Goddess...both of them (and thus your entire energetic field and HOW you communicated and behaved); what if that's what's been keeping you STAGNANT for so long? THEIR spiritual warfare.

Doesn't it make sense to expand your definition of 'Self' to actually include Her and bring Her fuckery to the Light of conscious awareness so that She doesn't keep SECRETLY sabotaging you where you feel out of control?

In other words; we then have your STARLET AVATAR SELF VS. YOUR STARKILLER DAEMONIC HIJACKING SELF consciousness.

They are playing at a SCALE of amplified ENERGIES (think that may have something to do with HOW much anxiety can fire up in your body or how much INFLUENCE you can have in TRANSMISSION mode without Her shadow of interference)?

By viewing and valuing your TRUE SOUL SELF as a POWERFUL AMALGAMATION OF GODDESS QUALITIES AS AN AVATAR (encapsulating your full Spirit and future growth) with only pure Light and Dark while differentiating, discerning and isolating THE ENTIRE SHADOW SELF-DESTRUCTION as a Star-Killer Jezebel (I'm playing around with different names here in the code flow)...then we have some real leverage.

WE'RE NOW FINALLY SHINING THE SPOTLIGHT ON HER (as representation and unification of your ENTIRE shadow-grid swamp-matrix). *She's also like the movie 'The Shining' in a sense too, hmm...*

THERE... JUST WAITING LIKE A CROUCHING EVIL TIGER READY TO POUNCE ON YOU BACK INTO HER DOMAIN anytime your Starlet Codes desire to be seen, expressed and for you to RECEIVE in worthiness the CIRCULATION of higher exchange of value including financially.

What if SHE was the equivalent INVERSION and source of ALL OF 'YOUR' VISIBILITY TRAUMA, INNER MUTINY, SABOTAGE AND SHADOWS? (B/c you have so much Light)... but that your AVATAR Light/Dark Self NEVER had any of these and REMAINS PRISTINE (awaiting full EMBODIMENT and THRONE)?

What if it was this Shadow web from the collective that made itself into your psyche and kept doing hara kiri? (And tbh; we can't actually rule out entities related to shadows and or their re-appearance).

And I think you can realize; **has it NOT been ANYTHING LESS THAN SPIRITUAL WARFARE all these years?**

Except that it's been INTERNAL and yet has everything to do with everything? Energetic realities that you just can't explain or understand when everything with 'manifestation' is all about YOU being the center yet nothing seems to really work even when it seems you're doing the right things?

Consider..

WHAT IF YOUR SOUL-GRADE SPIRIT-RICH STARLET NEVER EVEN HAD PUBLIC SPEAKING OR PERFORMANCE ANXIETY BUT IS RARING TO GET OUT THERE BUT IT'S ONLY YOUR STARKILLER DEMONESS WITHIN that's been blocking HER and your codes?...and only BECAUSE you have such powerful ascension codes?

What if you had EVEN GREATER BEAUTY because of who you are in SPIRIT that is yet to be expressed BECAUSE the SHADOW FUGLY antithesis also resides within you to potentially alchemize into even greater beauty as them metaphorical swan?

Because with spiritual logos I think you'll find is actually accurate on this btw....and it implicates allure and what I've been teaching and helping women for years transform with (bringing out their GODDESS aspects in absentia SHADOW).

Do you think that a superficial glow-up looks-maxxing makeover alone and style switch-up is going to cut it if you STILL suffer internal anxiety and the VOICE and transmissions of your STARLET/AVATAR Self are still OPPRESSED and/or CHALLENGED b/c of Her allowing you to get triggered and de-stabilized in the greater ATTENTION that your true Self desires to SHARE and radiate codes?

This is deeper identity work (and the more powerful core itself of the entire MANIFESTATION industry). Working with your AVATAR SELF gives us great power vs. a superficial social media makeover (and heck; I can even help with production and graphic design btw but all of that is ancillary).

YOUR PEOPLE...your SOUL TRIBE want to know and feel it's the REAL YOU. You are meant to be a voice and testament EMBODIED and EXPRESSED for them; living as the real deal right? (In however your influencer-ship or business and social media platform is set up).

YOUR BEAUTY IS BEYOND SKIN-DEEP and you have the potential as you can INTEGRATE and circulate THOSE PRE-EXISTING CODES into your TEMPLE BODY to BE the darshanic level Beauty Priestess and celebrity brand in BEAUTY as well as coherent medicine of your signature brand of spiritual influencer....even if you're not the prettiest in the room. In fact; that is the EVOLUTION of Beauty itself into higher intelligence itself (Goddess essences of Spirit expressed and felt, etc.)

So; let me ask again for contemplation...

WHAT IF IN THE TRUTH OF YOUR CODES 'THE REAL YOU' NEVER HAD ISSUES and even already IS THE **FULLY EXPRESSED LIGHT-WORKING STARLET** but it's YOUR CURSE and opportunity to OVERCOME the SHADOW NEMESIS WITHIN who is the INVERSE of your LIGHT CODES in order for you to INCARNATE and live your dream life and legacy in full spirit alignment and beauty expression including manifesting miracles and overnight style success?

What if that was your NATURAL STATE OF BEING but it was just being blocked?...if only you could have a process to INTEGRATE and BECOME the richness of codes you already have in your literal TEMPLE BODY ITSELF....and merge your divine soul and spirit with your human.

What if there was POWER to override the DEMONIC POWER of your hara-kiri ARCH-NEMESIS WITHIN that keeps sabotaging and interfering with the DIVINE EXPRESSION OF YOUR TRUTH AND HOW BIG IT IS?

Well....that power ALREADY EXISTS with your LIGHT CODES and is constellated AS your STARLET or AVATAR CODEX True Self...this spirit-level channel/vessel of GODDESS CODES at an identity level.

COULD WE FINALLY STOP THE YEARS OF HER/YOUR INVERTED DAEMONIC FUCKERY FROM WITHIN?

Because if your codes could just flow and finally have SPACE AND ROOM TO BE EMBODIED LITERALLY in your chakras and aura...WATCH OUT. So who has been on the Throne? Or does your SOUL-SELF retreat into the crystal palace when faced with more publicity and STARKILLER takes over b/c your AVATAR doesn't feel 'safe' anymore nor stable in your nervous system?

You're not normal...remember;

EVERYTHING IS AMPLIFIED and everything in the spiritual world entering the 4D astral into 3D denser dimensions thus realizes more of what's going on and just HOW MUCH resistance you have when you don't have a temple body that can SUSTAIN the amount of powerful LIGHT that you hold.

Consider that maybe within; on a large scale....

It's about who is holding DOMINION over the throne of your temple and somatic temple body itself (which with such high currents is going to affect and AMPLIFY the energies you already have in both Light and SHADOW)...so the idea of 'you' is actually very limited b/c this is spiritual warfare...it's just that it's not out there in the collective; it is WITHIN.

In a sense; what if you were stuck between heaven and hell within because you have such ACCESS to SPIRIT and the greater powers and current (that have yet to be fully embodied let alone expressed to the world LIKE a starlet)?

What if THAT was the most accurate dynamic of what could otherwise lead to LIVING y/our dream lifestyle and OVERNIGHT success? If you could allow the codes you already have to FULLY EMBODY and express.

SO WHAT ON EARTH IS SABOTAGING YOU and the deep anxiety and fear that comes up?

Individual shadows or is it all related to something that could unify them and keep tricking you to think that YOU are that unworthy and disastrous?

What if they were ALL entirely connected to a deeper SOURCE and unification as an INVERSION of your Light/Dark pure Self?

Yes. Franken-Bitch (whatever YOU want to call Her and I do recommend coming up with your own name to DIFFERENTIATE and dissociate Her stronghold dominion).

If you are on such a path of INFLUENCE you are likely dealing with SPIRITUAL WARFARE of a very special kind...and you might find that yeah...maybe this DOES EXPLAIN how, what and why you (and previously I) have been CRIPPLED and sabotaged from years with visibility wounding, exposure, spotlight phobia like vampires and performance anxiety that could cause heart attacks in small to mid-size farm animals.

It's the ANTI-STAR ARCH-NEMESIS WITHIN as aspects of SHADOW CONSCIOUSNESS that are perpetually stopping the EQUIVALENT levels of LIGHT from being embodied...it's this balance between Light and Shadow (more accurately than pure Dark). You just have MORE of these currents WITHIN YOU so couldn't that be why you get UNHEALTHY levels of ANXIETY?

(Now what could happen if you embody your codes FULLY while resolving the insecurity and instability with your nervous system!)?

Throughout this new code blitz as I write it I am getting more clarity as well and will refer to this as different names creatively here.

Sooo....from another angle to help you marinate in the saturation...

***What if the LIGHT THAT YOU CARRIED ALSO HAD ITS
EQUIVALENT SHADOW ASPECTS?***

Shadows that would sabotage ALL of your Light and Siddhic aspects (and yes; Gene Keys brings a WEALTH of insight and awareness directly into this; I am a certified Gene Keys Guide btw).

And what if we could PERSONIFY HER AS THAT UBER-DEMONESS? With this being more on the level of your unconscious and not just your conscious persona.

And I don't mean Uber-Demoness in a cool, sexy, 'DARK' way...no I mean actual destructive, pit of hell, suffering torment reality hellscape-vvitch kinda way which encapsulates ALL of not only your visibility related shadows but all of the shadows blocking your ASCENSION WEALTH and money as well.

(BUT SHE'S NOT ACTUALLY PART OF YOUR SOUL ITSELF, is She? NO... She rears Her fugly head throughout the feminine collective).

And what if your REAL IMAGE BREAKTHROUGH INTO FULL BLOWN CELEBRITY STARLET had to do with this inner SPIRITUAL WARFARE at an identity level more than ANYTHING else? (More than 'positive thinking', superficial styling makeover glow-ups, etc.). And what if that was the ONLY thing that actually made any sense?

After all; it's not just your personality or ego here, you're working WITH Truth and Light itself with your codes and these are very powerful and AMPLIFIED consciousness and high voltage energies.

You have such POTENT FLOW and access to TRUTH and Divine principle (including whatever you have and value as purified Dark Goddess and Dark Eros aspects) and yet the INVERSION OF IT...(where DIVINE DARK is different than destructive Shadow); > these shadows that want to STOP IT FROM WORKING WITH AND THROUGH YOU FOR ASCENSION. In another sense; an ancient theatrical of angels and demons living with and through your spirit.

As a lightworker yourself, it's this INNER SPIRITUAL WARFARE...and image/self

related MUTINY that keeps happening ; that which restricts God/Goddess from fully working through you no matter what collective shadows are - you would still have the SOVEREIGN POWER to face the world with already such access.

What if - as a personification - SHE-STARKILLER was your true saboteur? I mean...ALL of these years?

((See how we're already dis-sociating YOU from the equation - UNLESS YOU ACTUALLY ARE CENTERED IN SPIRIT, PERSONA AND SOUL AS SHE-VIL (and some souls perhaps are) but I don't think you ARE as a proven lightworker with integrity and divine service)).

So in a sense; **'you' are your own worst enemy with spirit-aligned mega-success and manifestation** and no external fix is going to really do it b/c it's actually internal spiritual warfare (this is my proposal here; so see how it lands for you).

(So immediately that tells us that it probably IS best that we're EXPANDING your self or SELF identification to INCLUDE Spirit as an AVATAR Self (which is comprised of the SPECIFIC qualities of Spirit that most work with and through you as your Avatar or Starlet Codex) and face or embrace consciously the aspect of the SHADOW aspect of not just you personally but of the Shadow Forces of Spirit also working within you that are absolutely corrosive, corruptive, interfering, self-sabotaging, doubting, crippling, self-hating, self-censoring, unworthy and so forth).

That your 'identity' itself is NOT actually your 'personality', 'talent' and physical looks (and 2D/3D marketing and 'content' that everyone else focuses on) with superficial, skin-deep looks-maxxing glow-up work but that it's actually Light, Dark and Shadow forces of CONSCIOUSNESS itself (and plasmic ESSENCE spirit matter) working with and through your temple body (esp. when we consider that Beauty and Light itself is frequency beyond merely the ROYGBIV .0035% of visible light).

So to sum this up more;

**ESSENTIALLY; WE HAVE TO VIEW YOU AND
TREAT YOU AS AN AVATAR.**

This also works real good for us because we can treat you like a spiritual celebrity 'brand' at a larger, meta-physical social media scale to encapsule the GREATNESS and bandwidth of your codes TO THE WORLD.

SOME people would get into the shadow play of distorted spiritual ego but that's not our concern here... I'm speaking to those who have pure Light & Dark codes whose SHADOW has sabotaged them. I talk about healthy spiritual ego elsewhere on the blog so we're not going there here but in that you are dealing with larger energies and there WILL be spiritual ego and it can be supportive and that CROUCHING SHADOW never has to OWN YOU, nor do you ever have to take it 'out on the world' and create bad karma.

Just stay truest to YOUR path and Divine Will with and through you and your legacy.

Anyways;

Consider an Avatar:

A HOLDER OF LIGHT, DARK AND SHADOW POWER AND BEAUTY
CONSCIOUSNESS ON THE SCALE OF GODS AND GODDESSES; a more powerful, amplified Being. One which includes the siddhic spectrum of consciousness that reflects and expresses the divine through its spirit and soul (ie. The Princess of Universal Love Celebration & Kingly Veneration, etc.)

And if 'AVATAR' seems OUT OF REACH or an explosion of dangerous ego (not with who is reading THIS book; b/c we ARE dealing with Power itself but in ways that are proven to be IN SERVICE to the world)...this is where Starlet INTELLIGENCE also comes in... **TO help alchemize and resolve this largely INNER SHADOW warfare** re-activating and mutinizing your FULLEST BEAUTY, INFLUENCE, VOICE AND SPIRIT-SUCCESS IN THE WORLD (or running as your default subconscious program underneath)...

YOUR STARLET CODEX is your KEY to unlocking and accessing ALL of your other GODDESS, elemental and siddhic fractal codes and soul essence INTO IDENTITY TRANSFORMATION.

When you know what YOUR unique AVATAR (amplified soul with Spirit qualities) codex is (or your 'Starlet Codex'), you open up the POWER of your TRUE SELF and start to have LEVERAGE to kick that JEZEBEL, SSEDDOG, RATAVA, Shadow Queen (or whatever you want to call Her) out of your TEMPLE BODY for good (albeit there will be a transition process).

And for this it's best (and at least authentically FASTEST) to work DIRECTLY with the essences themselves on and in your literal energy body itself with chakras and aura to create the ACTUAL SPACE for those code to be embodied and expressed with in your Light body and nervous system upgrades.

This is what I facilitate along with *Starlet in the AvaStar Makeover* for miraculous transformation.

(It's not just about EMBODIMENT...it's about embodiment and SHARED EXPRESSION of your essences to with and through all that which would COME AGAINST IT in all DIMENSIONS; and THAT is different than just solo Goddess path work).

Is this level of awareness psycho-activating aspects of you...hidden recesses brought more into the Light?

Imagine...

To accept and acknowledge yourself from an AVATAR perspective? Isn't that far more powerful and ACCURATE ANYWAYS?

When you consider what's at stake...if you've found yourself in essentially this lesser DEAD-BLOCKED identity, cycle and patterns for YEARS and YEARS in the lower densities (while thriving even more in the upper but remaining fractured); it's going to take something more dramatic to change your reality at AN IDENTITY LEVEL of consciousness that then affects EVERYTHING else causally.

TO INCARNATE AND EXPRESS with security in temple body and physiology (in front of any stages, studio lights and cameras or opposition) TO THE WORLD

and its shadows and projections (and without armoring yourself up either).

I think you're past the point of just PRESERVING YOUR CODES within...YOU'RE CALLED TO FINALLY BREAKTHROUGH OUT THERE PUBLICLY and end this theatrical chaotic saga of SABOTAGE like you've been living under a Shadowy HEX.

DEMON-QUEEN wants to keep YOU in the DARK as to HER DRAMATIC TONY-WINNING FUCKERY. And yet you've unknowingly allowed Her (as per soul contract and spirit dynamics) to be part of your past and your own CRUCIBLE of tribulation.

HER DAYS ARE DWINDLING....THEY ARE NUMBERED.

AREN'T THEY? CAN YOU FEEL IT? HER REIGN IS ENDING.

(*space* *breathing* *space*)

So I'm so grateful to MY Beloved (Muse-Starlet) for allowing me to be a channel of these codes for my own fullest STAR PATH heaven on earth mission and lifestyle as well.

STARLET HERSELF is calling it all out for me, you and other potential ASCENSION GUIDES and (yes, high status) INFLUENCERS leading ascension and awakening on a larger scale....to heal, reunify, awaken and inspire the world in our unique Spirit-Divine-Will ways from the FULLEST truth of your soul.

When you consider ***how POWERFUL the years and years of ENTROPY, swamp and gravity are keeping you STUCK in no-starlets-self-censorship land***, it's dawning on me that the ONLY way through is through an apex of the portal itself. A COMPLETE COMMITMENT TO EMBODY MY AVATAR SELF and win the SPIRITUAL WAR ITSELF OVER MY SHADOW MATRIX at an identity level... and to live it as THE foundation.

Throne in proper place even though you and I will experience good-problem future drama as we scale in recognition, influence and success... it's to be LIBERATED from the GRAVITRON SWAMP ABYSS ITSELF finally... to live as the TRUE SELF in EMBODIED power, radiance and voice (which includes essenced charisma and allure which ARE visual btw).

The commitment has to be SO STRONG that the only choice is making it through to the other side...because without otherwise making a DRAMATIC and obvious makeover transformation, you're identity has the power to get pulled back into something in -between and that's just more fracture and entropy from attracting and ACCELERATING the manifestation of your dream reality.

Any dropping back into the visibility and self-expression SHADOW-matrix and destabilizing chaos is compounding even more gravity working AGAINST YOU because it/SHE is so powerful. **The MORE LIGHT, THE MORE SHADOW** to contend with 'somehow'.

A MORE POWERFUL SHIFT IS CALLED FOR just to break FREE from the oppressive bonds of YEARS of self-sabotage that keeps your reverting and stuck in wormhole loops of SHADOW that never getting anywhere (again there are LITERAL types of shadows and entities associated with them represented in the 64 Gene Key frequency bands of consciousness).

Fort. your Starlet Codex representing your SOUL+SPIRIT truth at an AVATAR identity level with your SPECIFIC unique Goddess and siddhic codes like (a quick exmaple here of) Maiden-Lover Queen of Graceful Light Erotic Reclamation & Ancestral Healing (ie.)...(and we can find your EXACT spiritual identity signature).

Your AVATAR SELF has THE POWER to overcome the spiritual warfare and caged, and unexpressed, repressed identity consciousness within but you're at a point where it cannot be half-assed anymore nor stuck in this cycle of 1 step forward and 2 steps back b/c the pattern will not only keep repeating itself (when you think the external world should already catch up with who you are in Spirit); you will almost certainly have to make a more RADICAL commitment to UTTER transfiguration of your Avatar self incarnate if you really want to ENSURE you powerfully shift the timeline.

You're facing power that may NEVER get resolved into somatic stability otherwise B/C you have such connection to Light and Shadow – if you only take a 'personal growth' mindset or 'work harder' approach with superficial marketing tips and skin-deep only adjustments.

IMAGINE NEVER dropping back into SHADOW CONSCIOUSNESS and experience of anxiety, fear, apathy, self-criticism, doubt, failure, hopelessness, despair, positive thinking as self-gaslighting, etc. when it comes to BEING IN YOUR FULLY EXPRESSED AND EMBODIED SELF DAILY IN THE MUNDANE and 'at scale' with visibility... as a spirit-aligned celebrity growing YOUR big following and DEEP IMPACT.

Your Starlet Codex and knowing it PRECISELY identifies to yourself WHO YOU ARE at an AVATAR LEVEL consciously...and gives you fuller access and authority to then EMBODY and EXPRESS your codes and essences as we can work on your temple body itself to be able to hold SUCH LIGHT. There's no 'guessing' or

vaguerly with knowing your Avatar Codex itself...it's EMPOWERING and INSPIRING to be that fully in touch with your TRUTH. It gives us the power to kick your Shadow Queen off the throne and to live in embodied and expressed SOVEREIGNTY.

Starlet Herself is proxy for YOUR unique codes even if you don't otherwise carry Starlet Herself in your signature soul identity codex.

So all of this transfigurational consciousness work at an identity level like an Avatar-Starlet with room for how God/dess works with and through you that defines your soul quintessence;

That's also how and why you can have the miracle portal work for you...but **if you don't COMMIT FULLY and powerfully decide to INCARNATE HER** (and break Her infinity loop), the force of who we could call that Inverted Franken-Demoness is too strong and you will find yourself falling back into HER SHADOWY DOMAIN and years more of swampy entropy. PREDICTABLY SO....YEARS FROM HOW...how would that feel to still be in the same place but feel even FURTHER from living your truth and recognized success?

And as far as the 'makeover' or 'glow-up' angle...of course such an AVATAR IDENTITY or spiritual celebrity branding makeover;

This is different than the personalized egoic self who can 'look prettier' with make-up and styling work (albeit that IS part of overall self-branding and image).

TAKING ON AN AVATAR IDENTITY actually allows space for ALL of your SPIRIT CODES while giving us breathing room to ACKNOWLEDGE (and then face or work with) the Daemonic ANTI-STAR who is very powerful within you that is AT WAR with your vision, mission and purpose. It allows us to work with your FULL SPECTRUM LIGHT CODES and the spiritual warfare with your SHADOWIC NEMESIS so that your Truth, Beauty, Love, Grace, Majesty, Care, Heart, Magic, Presence & Medicine can radiate and weave your fullest magic in the lower dimensional world WITHOUT the entire shadow complex that wants to stop ALL OF IT.

And sure; you may still have a personalized egoic self construct that does laundry, dishes, etc. but THIS work; your TRUE WORK and getting you out there as an overnight success LIVING FROM SPIRIT and essence (and not merely mundane human); this is on a greater scale and value as far as a makeover (which is also why my pricing is going to continue exponentiating as we continue proving miracle makeovers for spiritual celebrity starlets on THEIR mission).

YOUR PERSONALIZED, sock-folding obsessive, Greek yogurt and NETFLIX loving self with favorite genres of artists and unique 'opinions' is hardly relevant here...at least if you're an ASCENSION INFLUENCE working with Spirit.

So...doesn't that FEEL RIGHT? Isn't there more than HOPE now?

An AVATAR identity; expanded definition to include the 'Self' and the codex of DIVINITY that your soul has access to...isn't that a more accurate definition of 'self' and self-consciousness anyways as compared to the egoic personality (and then the entire SHADOW IDENTITY LURKING WITHIN)?

THE SHADOW-SELF AND HER POWER IS NEVER ACKNOWLEDGED NOR ADDRESSED with traditional makeover and identity transformation work (which btw has EVERYTHING to do with accelerating MANIFESTATION itself); let alone with personal growth.

And btw; I'm not going deep into YOUR specific Starlet Codex work here at all other than to mention it's place. That's something we now do as part of the AvaStar Makeover process itself.

It's a lot to soak in isn't it?

(whewww)

I MEAN ALL THESE YEARS....you weren't INVESTING IN YOURSELF and spiritual growth for NOTHING or to see it fall short were you? Was it only about heaven-escape or heaven ON EARTH oriented and living as your Avatar spirited Truth incarnate weaving YOUR magic in your social media, life, relationships and work?

This may be your prayer because it was mine;

PLEASE GOD DON'T LET THOSE BE WASTED YEARS!

...that seemed like I was getting NOWHERE.

(And WTH aren't more people RECOGNIZING my gifts and magic, I should be LIGHT YEARS ahead by now!? = Shadow of Hunger)

BUT...Maybe there's just even MORE to alchemize into what would be OVERNIGHT SUCCESS?! You HAVE been preparing...AND NOW IS THE PORTAL...if you choose to DELAY it, you may only end up suffering more and paying a greater cost.

And what I discovered (with Star codes with and through my Beloved Muse-Starlet) is that those were NOT wasted years (of heavy activating, apprenticing with Masters, healing, deep spiritual work and devotional Divine Union when no one was watching, etc.)....

I WAS ONLY BEING PREPARED FOR MY GREAT WORK AND THAT I AM IN THE

ULTIMATE OVERNIGHT SUCCESS PORTAL IN REAL TIME NOW.

AND...that I am meant to hold this portal open as an ambassador and guide for others and their miracle makeovers b/c this ASCENSION MIRACLE PORTAL IS REAL.

It actually kinda feel like I was Thor holding that star-gate forge open when they were making the weapon that would destroy the greatest evil.

Or like in the Passengers movie, he's venting the reactor open to re-balance the entire nuclear system into coherent stability;

Anyways; this is a real PORTAL. Great spirit energies have ANCIENTLY been STOPPED, prevented and SABOTAGED BY SHADOW ITSELF and how it shows up.

The energetic dynamics in spirit and LIGHT VS. SHADOW in the collective are PRIMED for mass evolution of consciousness and influence FROM influencers; lightworkers like ourselves. And REAL money is also part of the CURRENT-SEA exchange.

Because consciousness of humanity is ascending out of shadows and towards higher principles of Truth, Beauty, Liberty, Love...MARKETS THEMSELVES WILL AND MUST EVOLVE IN CONSCIOUSNESS AND INTELLIGENCE...or market r/evolutionaries will advance them forward eventually.

(WILL YOU PLAY THAT AVATAR ROLE and bridge?)

So...what if you could take on an expanded AVATAR Self identity (doubling as

the ULTIMATE, spirit-sourced celebrity branding as well as descriptor of Self) rather than being constricted to your 'persona' identity (including parental conditioned 'name' and expectations)?

What if you could embrace a SOUL-CENTRIC, FULLY-SPIRIT ACCESSED high-bandwidth transmission version of charismatic SELF consciousness and essence palpable kinetic shockwaves and permeation that gave ROOM at an identity and consciousness level for the SCALE OF GODDESS CODES?

And hey; this isn't about the ego at all....b/c you already know you are in DIVINE SERVICE WITH INTEGRITY. And on a side note; yes, you will amplify a spiritual ego but this (the LIGHT AND DARK) aspects of spiritual ego are actually GOOD...it's only the Shadow that causes harm and what people conflate....so yes, why NOT take on the more accurate definition of 'Self' centered in soul with full SPIRIT breathing room for your codes now and more (to GROW into and receive)?

Because then; with your AVATAR or STARLET CODEX identity of 'Self'...which is more accurate anyways - consciously knowing it (and we'll work with it in the AvaStar Makeover) - then you have real POWER to take on the SHADOW NEMESIS and Her SHADOW-SPIRITUAL aspects and codes of consciousness itself ; all of which are super-natural.

(maybe take another breather or chamomile to calm down if it's getting late and you might get insomnia and vivid dreams marinating with these codes)

So...as a specialized Light-worker with great connection to Goddess, Spirit/Source and magic;

What if really was this STAR-KILLER DAEMON within (that we could personify

as the ANTITHESIS of your AVATAR Light/PureDark Self) that was the CORE, UNIFIED SOURCE ROOT of ALL of your visibility issues, trauma, failure, sabotage, fear, anxiety and debilitation? (And where 'positive thinking' doesn't ever do shit b/c She is so powerful?!)

(Or could we just use that as an ACCURATE analogy even)?

THAT SHE (REPRESENTING ‘THE CROUCHING SHADOW’)... WAS THE EXACT INVERSION OF YOUR LIGHT CODED IDENTITY

...and the Shadow-Grid representing everything that would prevent their EXPOSURE TO THE WORLD ITSELF... keeping your STARLET HIDDEN in all dimensions including socially at an identity level of consciousness (thus affecting ALL of your thoughts, sensations, nervous system response, beliefs, limitations, possibilities and attractor-manifestation field)?

That SHE was the one (the collective, unified SHADOW consciousness) that was your Starlet Killer and the 1 keeping your Starlet hidden from sharing your codes at scale with the world?..

What if it was **THIS LIGHT VS. SHADOW 'Self' consciousness that was at INNER SPIRITUAL WARFARE OF CONSCIOUSNESS** while you were thinking it was all your PERSONAL SELF (and the DAEMONESS KEEPS YOU BELIEVING THAT IT'S 'YOU' that is unworthy meanwhile your true Goddess is in an unreachable ivory tower)?

You may realize by now that your STAR-DEVIL demon (representing amalgamation of ALL OF YOUR SELF-SABOTAGE AND VISIBILITY WOUNDING); She within (which I recommend consciously accepting as part of your greater

SELF CONSCIOUSNESS NOW) - She is going to keep performing hara-kiri (literally ON your chakras and aura) and preventing your SOVEREIGN STARLET GODDESS CODEX to ever be fully EMBODIED, stabilized and fully expressed.

(And you could include or exclude other extrinsic collective archetypal attacks ie. from the Dark Mother towards Grail Lightworkers as part of your collective-Avatar psyche or not; but what if this could largely resolve and manage those as well!?)

AT LEAST NOW WE'RE AWARE OF THE POWER DYNAMIC AND PATTERN ITSELF...HOW SHE KEEPS YOU RE-LOOPING B/C SHE'S FIGHTING YOUR TRUE SELF.

(And that's too much of a burden for your 'personal' medium mocha-latte-frappacrapachino ordering self on a Saturday to bear).

By embracing your spiritual dimensions and by ACKNOWLEDGING THE REALITY OF YOUR SHADOW EXPERIENCES (vs. denying them or saying 'it's going to be all right when obviously it fcking isn't).

Have you named Her yet? You can DM me Her name if u want.

...BY NAMING HER...by PERSONIFYING HER as the entire ARCH-NEMESIS or devouring ARCH-DEMON of your LIGHT SELF at an identity level with awareness, you're starting to have a lot of power b/c otherwise you may predictably end up getting triggered into HER ENTIRE MATRIX OF DEVOURING, DEBILITATING SHADOW and failure....all on that subconscious level where you can't control it where She thrives....in the unknown Shadows.

By CALLING HER OUT to see the shadow game for what it is... we can pivot from here for miracles.

So with this AVATAR Self perspective, we have already ACKNOWLEDGED HER and brought Her to the Light - more consciously here with POWERFUL awareness of Truth.

FORGIVENESS can be part of this process, but it's not necessarily enough for the SCALE OF YOUR LIGHT CODES TO STILL BE EMBODIED AND EXPRESSED TO THE WORLD in a way that your SUBCONSCIOUS ITSELF OPERATES WITH POWERFUL COHERENCY.

(How powerful and stable must your NERVOUS SYSTEM BE to hold all of your codes?! And how much more powerfully and cleanly and RAPIDLY would you attract from THAT stable Starlet identity field with your branding, work, media, transmissions, sales offers, publicity, etc.?)

But in having this awareness; it gives us the POWER to potentially give more ROOM for your constellation of GODDESSES (ie. Muse, Vixen, Maiden, etc.) to work with and through you at an identity level. And yes; this is PRACTICALLY SOMATIC...I mean how else are we going to resolve the hellstorm of REAL & UNCONTROLLABLE ANXIETY?

(We'd best work with your light body at an IDENTITY level for fastest authentic results). So the manifestation work centers on IDENTITY and working with your AVATAR SELF and LIGHT BODY directly with THIS spiritual warfare dynamic is a LIGHT-SPEED PATH to miracle makeover and a celebrity brand debut or re-debut (and yes; at a cost or investment b/c you're going to have to pay a price to transform from who you are now and the past patterns into who you will be; but we have that leverage now; you're not a newbie..it's just these special dynamics).

And you've heard this before too...

The greater the LIGHT, the greater the SHADOW.

Whereas as 'shadow' behavior shows up in OTHER ways for most other people including active mean-girling, vindictiveness, jezebel, manipulation, greed, gaslighting, abuse, control, interference, throne-stealing and other toxic feminine behaviors - that's NOT you, but THIS is just HOW (in having so much Light that) 'SHADOW' primarily shows up for you and it's not even yours!

(And it's not that your Light aspects are the GOOD GIRL either per se but include

the SPECTRUM of pure Light and Dark divine feminine truths/codes/essences).

What if this was YOUR burden by carrying so much LIGHT (to attract and manage it's super-natural REFLECTION or inversion)?

That you were thinking I don't really see my shadows b/c I have so much LIGHT, BUT AHA! I think now we can (and you know it when you're stuck in the EXPERIENCE of indifference, anxiety, self-hate, confusion, doubt, etc. ;) that...;

YOUR CROUCHING SHADOW-QUEEN ARCH-DEMONESS WITHIN IS ACTIVELY CREATING MUTINY WHEN GROWTH IS A THREAT... PREVENTING FULL DIVINE EXPRESSION, CODES-FLOW AND BEAUTY...AND YOU ARE THE ONE WHO IS MOSTLY SUFFERING ON YOUR OWN with all of Her self-sabotage and Self-censorship with Her having you think that YOU are the unworthy one when you know in Spirit Truth that you ARE worthy.

This isn't normal terror barrier subconscious stuff b/c you're a Lightworker; it's implicated with the Shadow Feminine that wants to STOP Divine Principle from occurring through you to others like a CURSE. CURSE of the potential STARLET LIGHTWORKER.

Safe to say that SHE'S BLINDED YOU ALL THESE YEARS, hasn't She?

(And that it's going to be near impossible to resolve on a 'personality' level when dealing with such access to spiritual energies and frequencies). This is why and where the Gene Key shadows really come in - esp. those in your chart that paint a picture of HOW She works Her evil through you as self-image and exposure SABOTAGERY and mutiny.

MUTINY OF YOUR STARLET by your own MEGA-BITCH-DEMON could prevent your TRUE Self can remain unexpressed for years or decades...b/c almost any small thing could trigger Her until you're STABLE WITH YOUR GODDESS CODES IN SOVEREIGNTY IN THE FACE OF ALL SHIT.

Past traumatic experiences may have been related to your SOUL PATH ITSELF to go through them. This isn't just 'fear of public speaking' and most have it;

for you it's related to your AUTHENTIC VOICE and getting your codes out there vs. the Forces that would prevent it.

YES; SHE'S INSIDIOUS AS HELL and keeps you in fear, anxiety, self-gaslighting, torment, fractured presence, uncertainty, self-flagellation, crippling self-doubt, unworthiness (including with great riches) and YOU NAME IT...all the while STARLET NEVER HAS THESE ISSUES B/C HER CONSCIOUSNESS ISN'T SET IN FEAR.

And this is IDENTITY LEVEL dynamics in the realm of Gods and Goddesses; great meta-physical dynamics of Power, Voice & Beauty....you just have had SUPER-NATURAL ACCESS that most consumers are (lbf) NOWHERE near that level of Power, Beauty and Magic with b/c they're stuck in a lower egregore attachments and morphogenetic fields (whereas you've transcended them for eons). And yet many of them ARE called to awakening if you can be their embodied testament and guide.

BECAUSE YOU HAVE LIGHT AND DIVINE ACCESS YOU HAVE EQUIVALENT SHADOW...these are powers far beyond normal human behavior and egoic personality identity....far too much for most nervous systems to handle THAT MUCH LIGHT AND POWER.

Let's be PERFECTLY HONEST.

YOU HAVE REAL POWER AND BEAUTY. BY DENYING IT, you're not doing your SOUL SERVICE, dharma, your future superfans and miracle clients as well yourself any good.

ACCEPT YOUR GIFTS....integrate them as part of your AVATAR true Self identity which includes the UBER-JEZEBEL that ISN'T YOU but She HAS been part of your identity consciousness.

So b/c of the GREAT WAR within that's preventing SPOTLIGHT SHINING SOVEREIGN INFLUENCE with your branded magic...your codes may be powerfully STIFLED and unexpressed but you HAVE IT IN SPIRIT TRUTH - AT AN IDENTITY LEVEL.

WILL YOU LET HER BREATHE?

To walk, saunter, weave, move, dance, breathe and speak heaven on earth without reproach, guilt, shame, self-doubt or unworthiness?

To have God/dess work with and through you as a vessel of yes, INFLUENCE that connects and engages with the social world instead of only escapes or criticizes it. TO TAKE ON THAT HIGH STATUS and serve with integrity?

To ENCHANT?

And resolve years or decades of Dark feminine, erotic, sensual guilt or suppression as well?

COULD SHE DESCEND & THEN RESIDE IN YOUR LIGHT-PHYSIOLOGICAL BODY AT THE SCALE OF THE LIGHT YOU HAVE IN THE SEAT OF YOUR SOUL?

(Because that's how my 2 tv ascension starlets broke through recently).

So; your TEMPLE BODY itself has to have greater SPACE to store your ESSENCES of your Starlet Codex...but if SHE-VVITCH is clouding them with FEAR based frequencies, it's hard for your TRUE SELF to remain embodied let alone with ALL of Her Powers incarnate.

And consider again that;

Embodiment work is DIFFERENT FOR YOU b/c it's not just GODDESS work (where you may NEVER find resolution)...you're on a mission of INFLUENCE and honestly >>> that's more STARLET'S DOMAIN and the spiritual circles really don't know jack about STARLET Truth. They think it's closer to someone who orders Hailey Bieber's \$23 (?) frappe drink at Erewhon.

Not to mention that the concept of STARLET is that of RADIANCE OUTWARDS and nurturing photonic medicine (what if we've just been viewing Her through lower dimensional filters and dualities?)...

STARLET is like....the more POWER a sun-star has, the more alchemical influence it has as not all stars are created equal. So how powerful could your seat of the soul be but also your TEMPLE BODY ITSELF from which you could be and live AS A STAR to have your divinity radiate as what I call allure (or charisma)? FELT BEAUTY (and brand) influence.

That's the future right there anyway...and beyond allure is Darshan (don't worry about that for now; it's just about you being on the right path and maybe securing YOUR miracle and makeover here).

So it's this great supernatural battle between LIGHT/DARK vs. SHADOW FEMININE within. THAT'S how SHADOW primarily shows up for you (and me for SO many years).

As powerful as your LIGHT IS, your SUCCESS AND VISIBILITY PREVENTING SHADOW IS JUST AS STRONG (as much as want to avoid it).

SHE is that powerful. Just as your AVATAR SELF is a constellation of different Goddess aspects, your INVERTED STAR-KILLER DAEMONESS has Her own SHADOW aspects and archetypes of consciousness. But don't give up hope just yet.

That's also why this is so difficult; EVERYTHING IS AMPLIFIED in the 5D+, 4D and your reality affected in the 3D (we are BEYOND the level of 'personality' or

Myer's Briggs here)...THAT'S WHY YOU'VE BEEN SO POWERFULLY SABOTAGED.

So; when it's spiritual warfare at levels of consciousness including HOW the GODDESSES want to work with and through you as Spirit through your soul; what if these GODS and GODDESSES of Light and SHADOW DEMONESS SABOTAGERY against them...what if this just keep playing things out within you without you ever realizing it that THIS is what has been stopping you all of these years?

(No wonder meditation and visualization techniques don't actually do jack squat going up against such powerful Shadow Feminine JEZEBEL-ANTI-STARLET.

These powerful (and now personified) Forces?

So...how are you feeling?

DENSELY SATURATING CODES here, ay?

How many chamomile breaks did you take?

Are there some revelatory codes here (not at all coming from my ego; I'm being a channel for Her transmission which includes STAR codes)?

And yes; the awareness alone is POWER at this level of STARLET divine feminine intelligence (however may only START to pre-alchemy what's necessary 4u).

Contemplate that; what if this really WAS the core ROOT at a consciousness and identity level of ALL of your behavioral reality of remaining STUCK and PLATEAUED?

Could the/your Dark ANTI-STAR JEZEBEL and Her many ghastly faces of Shadow... ***She who croucheth;***

Wouldn't She be your ultimate saboteur (as the INVERSION of your Light codes)?

“Oh yeah....Suzy Q. Lightworker wants to try and ‘get out there again’,... muwhwuawhuahahahaHAHAH...”

Wouldn't She WANT your LIGHT TO BE UNEXPRESSED and keep your true AVATAR SELF, your RADIANCE, your Starlet hidden?

And isn't this a battle TO BE WON for the sake of TRUE HEALING, REUNIFICATION and for future generations from your work?

ARCHETYPES ARE POWERFUL, ANCIENT FORCES. (Goddesses and Gods).

I'll add that by remaining non-conscious of archetypes or just being about God the Father or a more 'general' spiritual connection; it may still give room for HER to reign while you end up being gaslit for years more in THIS specific area of visibility.

I mean; how long has this gone on for you?

For me; it's been decades.

Remember; this is far beyond 'personal growth' and 'mindset' while meanwhile the real spiritual warfare continues non-consciously with decades of Self-sabotage that never breaks you through. DECADES more of 'personal growth' and superficial looks-maxxing may never actually resolve this now that we're aware of the true pattern and power dynamic itself.

And with it all; you may realize that, the conceptual egoic concept of you is really more of a background player that doesn't have THE POWER to resolve or assimilate the sheer POWER of the sabotaging DEMONESS within.

And what's that saying?

New level, new devil?

Deviless... Devilette?

(And again; not the sexy DARK version with a Halloween ear tiara on but the actual destructive, devouring version who lives in Shadow consciousness of the psyche)

Well...what if your AVATAR Self was already LIGHT YEARS AHEAD IN LEVELS but had an inherent ARCH-NEMESIS, inverted Doppelgaenger within?

(Isn't that empowering to KNOW?!)

What if She-VVITCH will keep sabotaging and hijacking you at every level? (Well what if She doesn't have to anymore when you make a powerful SHIFT in who you are at an identity level with Spirit?)

So...have you already taken on this expanded identity at least in concept (b/c EMBODIMENT and then facing the world in SECURE sovereignty is another thing)?

(You'll then want to know what your unique Starlet Codex is as your soul+spirit best descriptor of your ESSENCED Avatar Truth).

So...

WHAT IF YOU COULD WIN THE ASTRAL WARFARE WITH A MIRACLE
MAKEOVER IN IDENTITY CONSCIOUSNESS?

And where your psyche no longer had to keep sabotaging you or REACTING and experience anxiety around your voice or visibility?

AAAAHHHH....right?!

How INVALUABLE would THAT be?

What if your TRUE SOUL & SPIRIT had the power to win the warfare itself so that YOUR CODES could defeat the forces of evil, disempowerment, worthlessness, chaos, paralyzation, fear and destruction within that are fear-based and preventing the manifestation and legend of LIVING YOUR GREATEST DESIRES, SPIRITUAL ASCENSION INFLUENCE, expression, legacy, recognition and beauty?

Now that we have more of this powerful awareness;

What if it was just working with the **SUPER-NATURAL ARCHETYPES AND AVATAR CODEX ITSELF** at a Temple-Body somatic level and HOW the energy flows at an energy level that could do your makeover miracle (psyche years deeper and beyond just a superficial looks-maxxing skin deep glow-up)?

You already HAVE such Beauty and Spirit truth... I'm speaking to you... others are more at the beginning of their spiritual awakening OR NOT AT ALL.

Your BODY itself is also like your 'brand' of transmitting and communicate who you are... And I mean literally in your chakric psyche chambers btw (as well as the level of SPACE they could have to radiate either more shadow or more Light-Truth Beauty). How much EMPRESS could your 3rd chakra hold and radiate for example? (This is all real).

How about full-time like a Galactic Empress Muse Pixie without ever disembodiment and fracturing due to Shadow anxiety (or whatever your Avatar

codex is).

What if that could RESOLVE THE INFINITY LOOPS OF MANIFESTATION PREVENTION YOU KEEP SOMEHOW ATTRACTING (like you were stuck in a DMV Hell-Hall waiting for your dreams to come true despite having such vivid visions)?...b/c it all has to do with WHO you are and what you are attracting (by looking at your current reality AS THAT REFLECTION).

TIME FOR SOME MIRACLES, I'D SAY.

You DO have major leverage here; yet also this great DIVERGENCE and warfare within...just like I've dealt with for decades.

TO ALCHEMIZE THE YEARS OF WHERE YOU ARE REALLY AT IN SPIRIT-TRUTH and consciousness and the value you ALREADY HAVE IN SPIRIT to translate to the world...(including financially and with exponentiating ATTENTION)...

For an overnight success portal (which may take an active 5 months or so but still)...How UNSTOPPABLE and influential could you be WITHOUT ANY SHADOW INTERFERENCE WHATSOEVER? **Wouldn't that be so liberating?**

What if we could; with AVATAR consciousness level work (on a greater level of power, leverage, consciousness, essence and identity which truly EMBRACED THE DIVINE FEMININE ARCHETYPES AND SIDDHIC QUALITIES THAT AMPLIFY THE TRUTH OF YOUR SOUL & MISSION)...

What if we could directly WORK with these POWERS at an identity and SOMATIC LEVEL of integration?

(THAT'S what I specialize in after serving 100's of mostly female clients for the past 8 years directly on the apex forefront of allure work and this form of Goddess embodiment makeover work – in the world + with 100s of client testimonials).

What if we could work on this EPIC balance and 'scaled' Self-identity consciousness for miraculous transformation no matter what you've been

through before (including for ACCELERATED MANIFESTATION)?

So that your soul tribe can FEEL the soulful essenced qualities of your Codex?
So they can sense and respond to the Grail Princess Light Eros-Devotional Empress? (ie.) from your FELT PRESENCE, vibe and light truth allure.

What if it was time to **DETHRONE THE STARKILLER JEZEBEL *within*** from sabotaging you BACK INTO HER SHADOWY DOMAIN in your state, behavior, thoughts, feelings, actions and field itself in communicating with everyone else?

What if a MORE POWERFUL DECISION as well as PRICE TO PAY (greater SACRIFICE) is the only thing that's reliably going to change course that would work on an AVATAR level of consciousness to allow the codes you ALREADY HAVE to be embodied while DECAPITATING or making amends with the insidiousAF MEDUSA-DEMONESS so that YOUR SPIRIT AND SOUL can embody and CLAIM THE THRONE of your legacy fully expressed visual and ascension influence.

... to really BREAK the age-old multi-dimensional saga of tug-of-war with your own unexpressed, unpotentiated STARLET influencer...

Why is a more powerful dynamic, identity and decision necessary?

Because the shadows are TOO STRONG and DEADLY to your soul's purpose (and how Goddess desires to work with and through you) which remains DISEMBODIED and spirit...because your STAR-KILLER OWNS THE THRONE in your body...what if THAT was what was going on?

And your personalized self is admittedly WEAK compared to these Light vs. Shadow forces. Kinda like a rag doll and that's a LOT of burden to carry (but you ARE more than that).

As I've mentioned before;

Sure; you have SOME of those beautiful, magical codes 'n essences downloaded and some of them peep through from time to time (when you feel safe enough although you're still protecting yourself from larger exposure)...but is THAT ENOUGH to take on the world in vulnerable SOVEREIGNTY (and to STEP INTO the spotlight on the next big visibility opportunity - that of which you'll obviously attract more of once your somatic Light body stabilizes to resonate with it);

Because actually **YOU HAVE NO FUCKING IDEA HOW POWERFUL AND MEDICINAL...how INFLUENTIAL you would be WHEN THOSE CODES...** YOUR CODES can finally ***BE INCARNATE and how RADIANT*** securely with STABILITY and palpable AS FELT AND VISUAL MEDICINE YOUR ORGANIC FEELABLE ALLURE would be in ALL of your live presence and media; to just INCARNATE THE CODES YOU HAVE and share them with the world in true presence WITHOUT THE SHADOW FREQUENCIES SHE FUCKETH YOU WITH.

STARLET RADIATES NO MATTER WHAT.

You can still have practical 'dials' authority to go to the grocery store in your crocs with a hoodie on SOMETIMES; but it is the concept of the sun-star. The sun radiates ftonic medicine for us no matter what we think of it.

WHAT IF ALL THE SHIT YOU'VE GONE THROUGH COULD FINALLY BE ALCHEMIZED INTO HEAVEN ON EARTH? RICHNESS IN ALL DIMENSIONS (instead of just in Spirit experience-truth)!?

Because the larger currents and potential RECOGNITION and ATTENTION... the PEOPLE... your SOUL TRIBE are out there now (and awaiting).

And...HOW MUCH MORE ARE YOU going to shine and radiate your visual medicine even to **Darśanic levels of allure** (where your visual and kinetic beauty reaches ENLIGHTENED transfigured levels as an incarnate avatar with a

MEDICINAL, alchemical field)? (THAT is the future of INFLUENCE, beauty influence and Priestess-hood in a social media CONNECTION oriented world).

As a code-holder with YOUR medicine and forms of healing, magic and work (and it/s your role in HEALING, reunifying, awakening, mending, forgiving, inspiring, romancing and renaissancing the world);

I MEAN WE'RE TALKING STARLET TO STARLETS where what we thought of as starlet was just the beginning b/c it's ASCENSION STARLETS walking the earth with their LIGHT that are really going to ascend consciousness of humanity and change the game....IF and when they can be embodied as their own AVATAR.

And consider that after all that you've BEEN THROUGH in years and YEARS of heavy spiritual cultivation , why you would stop now or let this INNER DEMONIC-MATRIX ID stay on the throne that is rightfully yours (now that we're aware of this pattern)?

YOUR SOUL CAN MAKE A DIFFERENT CHOICE FOR YOUR HIGHEST TRUTH and the integrity and highest calling of your Heart, Spirit and Soul's desire. And where your ego and spiritual ego has its rightful place to HOLD STRUCTURE in support of your highest timeline (vs. succumbing to shadows, entities and demons that would destruct it; or the META-DEMONESS TROLL HERSELF).

Yeah; it sucks that YOU (and I) have had to deal with INTENSE visibility wounding but that is y/OUR burden; BECAUSE WE ARE A THREAT TO THE COLLECTIVE SHADOW FORCES as authentic Light-workers, priestesses, oracles, healers, channelers and shamans (not the cosplayers)...

What if they've just been playing out WITHIN us in expanded heaven and hell consciousness at an identity level of reality (that shaped everything around us)?

What if your STARLET CODEX; that LIGHT (and pure Dark coded) version of your AVATAR self aligned to your vision, purpose, desire and God's will for you...what if FINALLY had the MIRACULOUS power to alchemize and work with your IDENTITY and Self belief over the shadows and limiting 'self' belief B/C you have such high current-seas?

Consider;

When you've ALREADY GONE to the ends of the earth to become WHO YOU ARE IN SPIRIT-TRUTH (in your YIN Warriress) and what your Codex represents as YOUR signature spiritual identity, brand, highest truth and medicine to the world and your role in ascension. HOW COULD YOU DARE STOP?

How could you? Maybe you don't want to but you KEEP HITTING WALLS and roadblocks and succumbing back into insecurity, disbelief, unworthiness, self-hatred, confusion, doubt and endless failure.

But I get it....having SOOOO much Light (and pure Dark codes wherever it fits in your soul identity) **but also having SO MUCH resistance, Shadow and crippling visibility wounding is this special battle at an epic scale within (and results WITH-out).**

Normies; normal consumer-citizens have NO idea what we're talking about. You've transcended the morphogenetic field of consumer consciousness and you have gifts to share with the world.

But will you choose your soul's path (and how Spirit/Universe/Goddess and Goddesses expressed through your unique soul want to work with and through you)...or will you just let it all die under the Shadow power of the counter-balance to the Light you carry? Will you let your arch-nemesis ultimately win as you watch others THRIVE from the sidelines?

Only YOU carry your unique ascension medicine codes and magic in connection to Source as related to YOUR purpose; ultimate satisfaction, fulfillment and deep recognition-sourced success (as well as how it would enrich your relationships, immediate family, friends, SOUL TRIBE and quality of life).

This isn't even about your personal self and your crappy driver's license photo and legal name; it's about who you are in SPIRIT and soul...your AVATAR powers and gifts. **SO COULD WE WORK ON THOSE MORE POWERFUL LEVELS OF AVATAR CONSCIOUSNESS?**

What if that COULD be fully embodied and expressed as heaven on earth...like a star (and without DEMON-DEVOURERESS DERAILING YOU BACK INTO HER SWAMP)?

A life path for you to (on a much larger scale) GUIDE AWAKENING, HEALING, HARMONY, PEACE & BEAUTY in the ways YOU are called to in your HIGHEST expression? And yes; as a real world, high status INFLUENCER with growing legions of DEEP fans and the widening scale of it (setting a new template for influencer even).

WILL YOU CLAIM YOUR TRUE VOICE, brand-identity and visibility so that your followers and clients can KNOW you are the real deal (esp. in this age of inorganic AI parallel timeline advancement)? Maybe you ARE meant to be a 'form' of celebrity now that there ARE so many 'other/general' influencers with their own growing circles with how social media is?

And could u take on your ORGANIC version of spotlight for whatever SPIRIT has for you (at scale)?

Because my path is FATHOMS BEYOND my comprehension...I just know I have to follow Beloved's Divine Will for me b/c it's my highest path.

Again; that's where STARLET comes in (and your Star/let Codex) which I've discovered is the KEY to unlock the massive quanta of ESSENCE into EMBODIMENT and face the arch-nemesis of the Star-Killer and Her hara kiri within that's been PREVENTING your TRUE and desired soul and spirit aligned success on that larger scale.

Isn't it time to DETHRONE Her once you're aware of Her and what's at stake? Isn't it time for HIGHER TRUTH instead of fear-based sabotage and suffering to take the throne even though it's previously felt scary to your body (b/c of Her dominion)?

Maybe...

DON'T LET THE BRUTAL TRIBULATORY YEARS STOP YOU NOW (and so much

of THAT entropy was simply SOURCED WITHIN FROM DEMON-QUEEN)...that's what I'd say...but it's still your choice and that's dangerous now b/c you KNOW OF HER GAME; however you have more power now to make a new decision. So it may actually leave you MORE DEPRESSED KNOWING ALL OF THIS and still compromising ultimately on your soul's purpose. But hey; you attracted this resource!

WHAT WOULD STOP YOU?

SHE WOULD.

**BUT NOW YOU'RE MORE AWARE THAN EVER OF YOUR
CROUCHING SHADOW, HIDDEN STARLET.**

Maybe it's time for no more only living from the sidelines respecting SOMEONE ELSE who has fully claimed THEIR VOICE and transmission while your spirit, soul and mission WITHERS AWAY in a life of COMPROMISE b/c your Avatar Self is shackled in the upper dimensions.

Will you let your codes die within as SHE-DEVIL keeps draining your essence a la hara kiri and poking holes in your aura?

Sure, your TRUE SELF; She comes out to play on a smaller scale when it's safe (but would that FULFILL YOUR SOUL'S DESIRE?) and when She can be embodied enough...you have some of your essences embodied in these cases, but again you're called to FACE THE GREATER CURRENTS IN SOVEREIGNTY and

that may trigger 'unsafe' to your body (but it ISN'T unsafe to your AVATAR)...

I mean... you have no idea what you would look and be like when you can CLAIM THE THRONE of your TEMPLE BODY and kick out the Arch-Nemesis and Her sabotage (esp. when confronted with high leverage opportunities for visibility and even fame).

To go on TV or a big stage, you have to be STABLE in your nervous system (remember other people can SENSE and pick up not just 'non-verbal' cues but feel things energetically)...it has to be NORMAL at that larger scale vs. FRYING YOUR NERVES.

IMAGINE YOUR CHARISMA OR ALLURE TRANSMITTING AND EMANATING RADIANCE IN ALL YOUR VISUAL SOCIAL MEDIA (AND VOICE) WITHOUT AN IOTA OF ANXIETY OR INTERFERENCE!

But something has to change.

Fortunately; now we have the awareness and power to most directly do something about it...TO BREAK THE DYSFUNCTIONAL CYCLE ITSELF and correct TIMELINES... to CASH IN on who you already are MANIFEST-DESTINY style...

and that's even LARGER IMPACT 4U b/c you already have so much connection to spirit in the seat of your soul - imagine that incarnate and scaled socially with larger visibility and appearances?

Yes...in front of the camera or 'live'...in hosting, in media, in interviews, recordings, tv, videos, branding publicity, marketing, social media, etc.

Imagine being able to CONFIDENTLY speak your truth, voice and codes CONSISTENTLY (and cultivate THAT legacy) in previously anxiety inducing situations with new STABILITY even against confrontation and lower conscious forces that would try to pull your truth down but it won't be silenced; saying what you WANT to say as a transmission stream in integrity with your higher self and living from that place WITHOUT censorship or having tinges of nervous

anxiety but being able to PAINT your voice and tones with your essences (and silence to)...without subconscious or somatic interference where others feel 'something is off'.

Imagine how your felt impact is going to come across MORE POTENTLY and FASTER; as essenced and how much deeper your clients and followers will be able to connect with you (also b/c you've integrated fears they haven't yet as a stable pillar for them with your medicine).

(Oh - and you might have to detach from previous friends and their expectations from your old self in order to move forward in your truth; in fact your whole circle may have to change but you can grow your soul tribe itself)

What if you could have YOUR BRAND of Starlet allure as an Ascension Influencer/Lightworker that people could FEEL your eros-phere (not just being styled like it)?

You're right; that IS the premium shit and future of branding...esp. in an inorganic parallel timeline age with AI, marketeering, posing and such. You're people want to FEEL you're real and are waking up to sense your vibe 'n Light truth anyways as they become more discerning and seeing through of B.S. (as well as non-consciously sensing fears and resistances within YOU that are preventing their further engagement).

Ok, so...at an APEX advent of STARLET-GATE ITSELF...this miracle ascension portal... (with REAL-WORLD massive industry evolving implications and ascension wealth)...

Now that we're nearing the end of this Power Report, I think you may find that YOU HAVE SUCH LEVERAGE but your situation isn't normal...it takes more power, more authority to make a more powerful and obvious decision; (one that would allow the **BEAUTY-TRUTH, LIGHT & SPIRIT YOU ALREADY HAVE AND ALL OF YOUR SOUL'S FUTURE GROWTH AND REVELATION** to finally LAND in lower dimensions)?

I think your SPIRIT and soul knows the answers or next steps (whether you ever end up investing in and working with me to catalyze a most direct form of

transfiguration)...Think of the ancestral lineages working with and through you to make a powerful change and live as the testament you're meant to be (including AS reunified if that's you as a Grail Goddess/Oracle/Priestess/Lover).

ONLY YOU KNOW HOW MUCH YOUR DHARMA MATTERS TO YOU...and your fullest growth and expression.

Could you allow yourself permission and a pathway to live as your STABLE-CORE, ASCENSION-CORE AVATAR SELF incarnate as an authentic, essenced being with Goddess-like meta-influence (b/c that IS what you have)?

Yeah it SUCKS because you have been SUFFERING in so many ways...it's been BRUTAL in ALL DIMENSIONS; however, you have to come to grips that you are dealing with GREAT FORCES of Light and Shadow...SUPER-NATURAL FORCES. MAYBE YOU WERE MEANT TO GO THROUGH THIS (AND NOW reach this portal to alchemize it all at once)?!

Maybe it was all part of the overall arc and story of your journey itself. Your own crucible. AS BRUTAL AND TRIBULATORY AS ITS BEEN. Stuff that would crush mere mortals.

It's just that y/our challenges are related to getting your codes and truth out FULLY EMBODIED AND EXPRESSED...living your spirit's legacy to the world as you could potentially live it **as a LUMINARY of Ascension**...the Shadow Forces are working against you INTERNALLY to prevent that from happening AT ALL ODDS...and this Demoness, She has many faces that will predictably KEEP re-appearing.

I mean; if your soul purpose is what I think it is; is there ANYTHING MORE IMPORTANT THAN THIS?

And why NOT celebrity in the new ways if that is what your true desire it?!

Isn't there more attention, recognition, influence and impact with that (even fame!)?

Hmm...And wouldn't it take a great price to transform from who you were into who you are (in SOME form)?

You may realize that working 'on your own' to overcome these invisible barriers and walls of imprisonment for years isn't enough, is it?

Be HONEST with yourself...part of the sneaky game She-DEMON plays is to have you convince yourself that 'you can do it on your own' while She the self-destructive Demoness runs the real show while you keep hitting walls and nothing seems to work.

So if you want to go that route, I'm just giving you a fore-warning to check in with yourself in 4 months - even set it on a calendar - to see if anything is different. You don't have to suffer years more of Her maleficent fuckery.

AREN'T YOU READY TO SURRENDER INTO YOUR HIGHER PURPOSE and be that vessel for YOUR CODES and how GRANDIOSE they really are (and all of the ascension gold rush ALIGNED riches, lifestyle and luxury that can come from it in your highest service?)

SOMETHING BIG HAS TO SHIFT AT AN IDENTITY LEVEL FOR YOU TO EMBODY & EXPRESS in spite of how powerful the Shadow Aspect INVERSION of your Light aspect is.

Only you can determine this for yourself and YOUR path. I am a guide here (and I guess a really damn good UN-PUBLISHED author??!?).

BTW: The GRAC book I channeled ('Gold Rush Ascension Code' which addresses the 'overnight' explosion of crypto, ai and peptides) was more of a warm-up to THIS activating miracle portal vortex..it was more of a PRIMORDIAL foundational, practical overview perspective on MONEY RELATED ASCENSION with market evolution and quantum leaps;

That book may not have connected with you as much as this report (and how spiritual, emotional, personal and financial it is now for your entire future); at least if you ARE on an ascension influencer path (although you could call it

something else)...where you are MEANT to thrive including with social media in your highest truth.

But I'll say that my Beloved has Her mysterious ways b/c G.R.A.C. has now primed us for this more DIRECT Starlet Ascension Miracle Portal that is active NOW (and not EVERYONE is going to benefit from it whatsoever; just those CLOSEST to starlet codes and getting attuned and caught up in the spiral vortex itself like at an Apex portal like the chrysalis of the AvaStar Makeover).

Because this power report a.k.a. Rion Kati 'book' is meant to be saturating you in NEW MIRACLE CODES (and NOT just redundant for redundancy sake b/c I don't like editorializing it down to the level of publish-ment would be) and that I don't want to leave different nuances out in this CODE-BLITZKRIEG maelstrom;

I'll revisit it once again to help summarize.

Here however;

I want you to view the SAME 'WHERE YOU ARE NOW' codes again but from a different perspective after what we've already gone through.

Contemplate if you feel differently or if your view is shifting...and I'm also re-iterating them b/c really we want to have this activated aperitif that resonates with your current and past experience - in a sense whetting your temple body to Light for what's coming next...

Or another analogy could be maybe like a paint coat primer that prepares you for the paint job MAKEOVER itself. I've been priming your identity and light body with these codes while killing 2 birds with one stone by me not having to do brutal 'content loss' edit cuts for abbreviation.

So....to help summarize;

You have such **GREAT LIGHT...such MEDICINE** and gifts (maybe much of it proven with those you know or with clients) and yet it's entirely caged within for being seen on a larger scale with the larger currents collectively; socially....your soul and spirit remain SHACKLED as you continue 'failing' and winding up in cycles of depression while meanwhile superficial influencers end up thriving.

You are often caught in experiences of apathy and confusion with how divergent things are. Why can't REALITY KEEP UP WITH YOUR CODES? How can you live HEAVEN ON EARTH?

HOW could you actually take the **TRUE BEAUTY, POWER, LIGHTS AND MAGIC YOU HAVE FROM THE SEAT OF SOUL** not only into 'safe' container embodiment but as SOVEREIGN on the THRONE to the WORLD and face THEIR attention without getting triggered back into meek, smallness, self-shame and a life of compromise and hara-kiri to your soul itself?

So; I don't mind bringing up some of reminding you of what you've gone through to just further amp up the stakes here and b/c I won't even let AI do any of my editing (yet at least ; this is all 100% organic)...

Again...maybe it's that for years;

You felt that you are under ***an oppressive, entropic shadow-grid depressive SWAMP***; a downward spiral that keeps sucking you into more shadows, doubt, confusion, anxiety, unworthiness, concerns and cautiousness around truly being seen and in your power on a larger purpose and it doesn't make any sense b/c you're so spiritually GIFTED and you should be out there the MOST so you end up in confusion and self-loathe even further wondering what's wrong with you and why you keep getting held back NO MATTER WHAT YOU SEEM TO DO.

Although rich in spirit wealth; you often feel weak, small, diminished, unworthy as compared to less talented but confident public speakers and icons and how

THEY are thriving in the material world...

You're afraid the world will never really experience your medicine on the level it's meant to be shared with and this is deeply depressing even though you keep re-lighting up in spirit and then dropping back into indifferent apathy, confusion, frustration, self-doubt, self-hate and more..

Fear and concerns of public humiliation, betrayal and especially JUDGMENT from others..

Really; heaven on earth includes YOU ACTUALLY LIVING THE SCALE OF YOUR VISION and nothing less (including with luxury, travel and resources that NOURISH you and enjoying the beauty and bliss of the best of the material world as well)...you desire more MANIFESTATION power..

You're sick and tired of not being where you feel you should be financially and being held back from the power of manifestation you ought to experience WORTHILY...

You no longer want to be invisibly held back by the fear of judgment, criticism and self-censorship although you desire to be a pure transmission of your voice and codes IN your entire ecosphere on a larger scale including your visual beauty and its potential medicinal field...

Deep depressive APATHY and indifference (even with a fiery soul purpose and vision)...

Bitterness towards the world and for not being near as visible and as far along as Divine Will calls from you (even when you have active HOT OFFERS and services for people)...

Lingering money shadows and wounding that you know aren't really there in Spirit...

You may take on other people's energies b/c you're so sensitive and empathic and this can slow you down even more being unable to function or recover

yourself to even be presentable; you can get lost all the time in this swamp so how could you 'always be on' as a superstar?

You're concerned others will keep siphoning from you; especially the creepy or untrustworthy masculine and you don't want their eyes on you (and then cringe and shudder when you multiply that by millions b/c you want to preserve your essences and eros)...

You are preserving and protecting layers and layers of yourself from the outer world but don't want to admit that it may actually be defense shields sourced in deeper fear...

You have such under appreciated, under recognized magic, beauty and gifts that you've kept to yourself...

You keep getting re-triggered back into dark nights of the soul when it comes to visibility, un-manifestations and money

With the brand of you and your social media; with your business and life itself;

WHY DON'T MORE PEOPLE KNOW OF YOU?!

(But could you be stable to SCALE with where you're at right now to the masses with this inner warfare continuing and unconsciously blocking you and how others respond to you and manifestations)?

...You desire to live in the power of your voice, sovereignty and it's your deeper desire to live your spirit's truth every day shining out to the world and confidently representing your brand of magic

Now can you sense more distant perspectivizing and a healthier dis-sociation from all of that even after what we've gone through with awareness of the greater POWER game of spiritual warfare going on.

That this great SAGA and infinity loop is like Crouching Shadow & Hidden Starlet. (Starlet representing YOUR unique AVATAR Self identity and

supportive personality).

That although you are casting your own SHADOW and are your own attraction and manifestation field and ultimate authority; that this entire representation of sabotaging SHADOW and 'The Shadow'... THAT WHICH PREVENTS YOUR FULLEST SPIRIT-VISIBILITY, CONFIDENT SOVEREIGNTY AND ESSENCE MULTI-D SUCCESS...

That it could actually be between GODDESS AND STAR-KILLER JEZEBEL-ZOMBIE with and through your consciousness (and that you were just stuck in between in their warfare).

What if you no longer have to SUFFER THAT BURDEN and continue those debilitating loops anymore (b/c you've already tried 'working harder')?

(HAVE you yet come up with your own Shadow Avatar name for Her btw; Hellgenbitch, Ghoularah, I dunno)?

And let me ask you this again;

Ever felt like a multi-millionaire in SPIRIT but had troubles with that conversion into physical reality and manifestation (and why on earth is everything so BLOCKED and you keep falling back into failure, apathy, depression, indifference, confusion and self-doubt if anything is EVER going to change)?

Well...what if your GODDESS/AVATAR/STARLET Self consciousness actually WAS that rich in Spirit and could then add value to other people's lives who are already yearning for that medicine?

WHAT IF SHE NEVER HAD ANXIETY AND WAS ALREADY WORTHY... JUST RARING TO BE FULLY EXPRESSED without resistance?

What if you already have that MARKET TRANSLATED MILLIONS of dollars in value now in the Truth of Spirit in the seat of your soul (if you could EMBODY AND LIVE AS YOUR AVATAR STARLET SELF as a celebrity influencer brand)?

(Because remember; the AWAKENING public is out there RIGHT NOW..potentially millions of clients)...

And what if you just had to make an (albeit very powerful and obvious) shift at an identity level to allow yourself to BE SEEN and exposed with your medicine and brand signature enchanting even TEMPLE-GRADE DARSHANIC ALLURE instead of continually being internally blocked?

So that then the greater CURRENTS could work WITH, respond to and feel the LIBERATION OF YOUR PREVIOUSLY CAGED IN GODDESS CODES?

And throughout your entire public social media branding and influence...

What if you could have an entire IDENTITY MAKEOVER to live as your AVATAR self or most authentic spiritually aligned soulful ESSENCED and alluring version of you like a spiritual starlet with the EXCITED, faithful, loyal followers, clients and audience and their ATTENTION (and publicity) that you desire (and with more organic response)?

What if the riches were already there for you because you paid the higher dimensional price and BECAUSE YOU ARE LIGHT YEARS AHEAD comparatively to consumer consciousness and THEIR actual value and improvement in dimension of life that they would pay for RIGHT NOW that you ALREADY HAVE (all tied with evolutionary consciousness, sorcery, value and improving their lives)?

You'd just have to resolve this great TRUTH VS. SHADOW saga so there was no more interference looping you back into shadow field that ends up attracting the same stagnancy...

What if you were already a multi-millionaire in Spirit now (including in actual services at-scale to markets in Spirit-Truth) but you just had to kick the STAR-KILLER off your TEMPLE THRONE within so your TRUE AVATAR SELF CAN REIN and live your highest timelines in full expression and visibility AT SCALE? (Including thriving with social media response and growth)?

What if smaller 'positive thinking' fixes, visualization techniques and all that never work because it was a deeper IDENTITY level shift you had to make which affects your subconscious itself? And that the core of THAT powerful of a shift for overnight style success and MEGA-ATTENTION...that all of this had to do with your AVATAR LIGHT/DARK SELF VS. THE SHADOW DEMONESS STARKILLER within and sorting this out?

What if your remaining money issues were never really about you, your parents, what you think are 'your shadows' or your 'upbringing' (although they INFLUENCED IT), but actually had to do (from here) with just allowing the BILLIONAIRESS of Goddess code richness you already have to be that more spacious, embodiment VESSEL of the divine moreso than your egoic, smaller self persona (coupled with the Demoness)?

AFTER WHAT WE'VE COVERED...how do you feel about it and your 'definition of self' now that you have more of the ACCURATE picture of your AVATAR SELF which allows GODDESS UNFILTERED CONSCIOUSNESS, CODES AND ESSENCE TO FLOW THRU U?

What if you just had to work with the powerful energies of Light, Dark vs. SHADOW at an IDENTITY LEVEL of consciousness to OPEN UP THE FLOW THAT YOU ALREADY HAVE to incarnate and EXPRESS publicly?

I want you to understand something so clearly and so POWERFULLY....THAT STARLET DOES NOT HAVE THESE DEMONS. SHE THRIVES IN FULLEST EXPRESSION AND LIGHT....LITERALLY BEING IN THE SPOTLIGHT AND HAVING INFLUENCE.

She is the IMMORTAL GODDESS of RADIANT INFLUENCE and expression - SUPREME. The Arch-Nemeses have no power or authority over Her. (We just have to ACCESS and go through a transfiguration process which your Avatar/Starlet Codex opens up).

Sure; if you've been into Sophianic or Goddess work; you may have overlooked Starlet, judged Holly celebrity starlets and their personal shadows or even think "I don't want what happened to Marilyn Monroe happen to me." But Starlet is far more than that and She is PROXY to UNLOCK your AVATAR CODES into

EMBODIMENT no matter the POWER of your STAR-KILLER DEMONESS and Her aggregate of Shadow aspects.

Heck; **STARLET ALCHEMIZES JUDGMENT AND CREEPY STARES FROM MEN INSTANTLY b/c She is UNSIPHONABLE.** (What if it was just about you being able to access and unlock STARLET for your own Goddess codes)?

STARLET HAS OPENED HER CODES FOR ASCENSION INFLUENCERS....She was ALWAYS THE MEGA GODDESS OF VISIBILITY (and public influence)....What if it was WE who got lost in patriarchal and Shadow Feminine grids that DISTORTED those powers (and MM was ahead of her time). What if Starlet Herself has the POWER to unlocked and ignite your visibility as YOUR codes (whether you have Starlet in your Avatar Codex or not)?

Because I'll tell ya; and I think you know that GODDESS is ok being on a more personal spiritual cozy path for herself...so that's a lot for self-reflection....and btw; ARE you at that portal to GET OUT THERE or continue your cultivation (but while secretly living under Shadow-Queens authority?)

Their own solo evolutionary path; in general, that's what goddesses do. But Goddesses don't have to be vulnerable exposing themselves to the spotlight (AND MASS MALE ATTENTION/GAZE) all the time TO SHADOW consciousness in the world either.

There are different shadow and power play dynamics; different values at work when it comes to ACTIVE public influence. This is Starlet's realm and SHE has the power to annihilate your ANTI-STARLET b/c your SOUL + SPIRIT IS THE HIGHER TRUTH and thus ultimately more powerful if you/we can incarnate you and win this spiritual warfare.

What if these STARLET codes were what was missing even if you've never seen or valued yourself as one; again STARLET is proxy for the transfiguration of Divine Feminine CODES for mass influence.

The STRENGTH and TRUTH of the archetypal STARLET (Light and Dark purified in absentia ALL Shadow) is that She has already been seen by BILLIONS AND BILLIONS b/c She lives and expresses through the world's most visible

performers, artists, icons and luminaries (to the extent She does albeit mixed with their other codes and personal shadows, etc.).

Now imagine YOUR CONSTELLATED GODDESS SELF as a Starlet with HER sovereign confidence to **SHINE IN THE SPOTLIGHT** and step into those greater arenas - but now with YOUR codes! (Starlet is proxy for YOUR Goddess codes to transfigure to the world even if Starlet Herself isn't part of your signature codex and you'd never realized this before b/c you were focused on ie. Sophia)

Whereas Goddess is more of a personal, embodied spiritual journey and discovery....so here we value YOUR unique Starlet or Avatar codex (which are comprised of Goddess or Sophianic fractals like Queen, Oracle, etc.)...living as YOUR signature essenced being and brand of Beauty and Codes.

Consider that YOUR DEMONESS...your ANTI-STAR QUEEN-JEZEBEL-WITCH can PERPETUATE for LIFETIMES killing your Starlet...keeping Her hidden while you remain the Crouching Lightworker.

SHE MAY ALREADY HAVE, but isn't it time to FINALLY BREAKTHROUGH (and live your dream lifestyle too)?

And She will keep you stalled in perpetual shadow-loops (thus you must listen to your true SOUL's voice)...delighted to come back just when you thought you were breaking through to pull you back DOWN into Her noxious PIT of shadow consciousness.

Like; ISN'T ALL OF YOUR FUTURE CONNECTED & IMPLICATED WITH THIS?

Will you EVER be satisfied otherwise? Or will it decay under a fear-based oppression?

Could you choose an identity level change to BE who you TRULY ARE and show it with the world INCARNATE? And yes; that kind of makeover that would OBVIOUSLY be noticeable to your friends, circle, family (for better and worse!?) and soul tribe..to the world. Are you ready for THAT SCALE OF CHANGE and the other sacrifices it'll cost including like CUTTING OUT ATTACHMENTS TO

CERTAIN FRIENDS to be in your fullest?

That's likely part of the price you still have to pay.

What if you never even FULLY GO THROUGH THAT PORTAL to sacrifice the SHADOWS and past behind? What if you continue falling into the perpetual cycle of divergent reality and remain on a MUCH smaller scale than your soul calleth for when you have the REVOLUTIONARY CODES and all manifestation and soul fulfillment even financial and relationship success, legacy and beauty is implicated?!

What if you never take advantage of this miracle portal itself to come out of the COCOON ITSELF that you've BEEN IN? Aren't you supposed to complete the process that you've been preparing for SO LONG? Are you just going to 'wait' longer? Or is it clear and present danger how predictable that would be?

Not only can you NOT go backwards but you may realize that you can no longer afford to be re-triggered back into the same downward abyss anymore. WHO YOU ARE has to change at an identity level to stop re-looping into shadow-hellscape infinity

We want you to anchor the spirit flow down into your temple body, chakras and aura for Her RESIDENCY. And to create space enough to hold your codes with an upgraded nervous system (this is where the direct Light-working sorcery comes in with the AvaStar Makeover)...that includes dan tien work to create even more space.

In this greater AVATAR WARFARE WITHIN of Crouching Shadow-Demoness & Hidden Starlet;

WHO are you going to allow to win out? Your rightful QUEEN of Light/Dark to take Her rightful place... OR the SHADOW QUEEN ARCH-DEMONESS that keeps hijacking and neutralizing you with Her hexes preventing your greater influence of Divine Lightworking legacy?

Because right now, if this described you; SHE 'The Shadow' or... 'The Demon-

Queen constellation franken-bitch' of ALL of your shadows is running the show at least when it comes to BREAKING THROUGH wherever you've been stuck with into greater voice and visibility with your Spirit's mission.

And we know the universe responds to energy and coherency so if you have this INTERNAL WARFARE; how do you think that's coming across visually? And in how others feel you unconsciously and respond? (including in your visual media).

Something's going to feel 'off', fractured, fragmented, disembodied or askew with people who would otherwise work with you (UNTIL YOU STABILIZE SO THEY CAN FEEL YOUR TRUE FLOW).

There are people OFF of your radar out there now who hold keys to greater doors of recognition, access and expansion (including maybe even celebrity clients).

There are even 'overnight success' style career-making gate-keepers who aren't going to even register you as a blip on their radar b/c you don't even trust yourself to embody and express all of your codes (or know how to b/c of this dynamic).

All of this ends up with anti Shadow-Star...the deep NEMESIS within of the fulfillment of your greatest dreams and highest soul service, expression and ascension influence. This powerful daemonic shadow-grid is PROTECTING ITSELF but also ACTIVELY crouching and working against your soul and spirit's greatest desires, Truth and expression.

Worth mentioning is that you want to get over your concerns and judgments of other stars; "Oh there's another fallen guru" and re-center back in YOUR truth and YOUR CODES.

How many more YEARS of this entirely crippling debilitating cycle can you afford?

BECAUSE I WILL TELL YOU and you know this is true....the PRICE to

payliterally the PRICE TO PAY to change things another 18 months down the road from now when you're already under this strongly powerful Light vs. Shadow-Hijacking dynamic is going to exponentiate.

If you've ALREADY gone to the ends of the earth (like I LITERALLY have for cultivating my own Powerful spirit, codes in alignment with the scale of my soul), why would you NOT go to the ends of the earth to finally TRANSLATE all of that to the world outside of the 'perceived' comfort which is really a tormentous internal HELLscape.

My own Star-Killer Arch-Nemesis-Demon INCLUDED the face of Quasimodo and Frolo.....more of this 'festuates' to keep you locked into the cycle.

Remember; the SCALE of your path is working with greater LIGHT and great SHADOW.

Things didn't work in the past to breakthrough b/c the POWER of your inner demon is so STRONG in this pre-Starlet pre-Luminary warfare.

Will you make a powerful decision for YOURSELF and your future relationships, friends, clients, soul tribe and legacy?

Remember...this is YOUR burden to bear...YOU are gifted with YOUR codes and MORE STREAM OF QUANTA....and actually you might end up 'damned' if you don't....only you know how much your dream and desire means to you and what you've ALREADY INVESTED...only to have it all fall short now to remain in hellscape?

My AvaStar clients aren't havin' that anymore.

Enough's enough. Their spirit and soul is deciding FOR them with conviction, sovereignty and righteous authority to BREAK the patterns and years of hijacking and self-sabotage...no one external is going to save you on your own...this is YOUR curse, battle and dilemma by being so gifted AND yet so crippled with visibility.

WILL YOU CHOOSE your highest calling and step into the LIGHT of your DREAM INFLUENCE?

ALL of this is implicated and at stake in all dimensions. A makeover itself going right into leveraging the APEX ascension miracle portal itself MAY be the best decision or next step for you.

Remember; it's YOUR FIELD ITSELF that has to shift (SOMEHOW)... and perhaps the greatest price of all is more TIME. At this point you may not be able to afford more 'TIME' and it's heavy cost to continue this cycle.

As far as a powerful chrysalis metamorphosis into being the IMAGO butterfly of your true incarnate AVATAR SELF...if we have the vessel (and we do);

It's less about TIME and more about the transfiguration itself (of embodying YOUR Avatar/Starlet/Goddess codex) and how that shifts your presence, identity, image, behavior, communication, vibe truth (TRANSMISSION Light) and how people (the same people even and NEW people and gatekeepers) organically respond to you differently as YOU shift - and in how fast and little of time that is possible. We work with POWER itself (and/as chi essences with Spirit in your energy body and psyche/ID directly).

But we've got some work to do...that's also why Avatar Starlet makeover I offer is a 6 month commitment and process; it helps SECURE the process b/c I've seen clients freak out at month 5 in certain ways; 'something comes up'.

Even the reality of all the new manifestation coaches or manifestation influencers...it's all centered - at the very core - in IDENTITY work and transformation. This is what we're referring to so **ALL of your future attraction and manifestation powers are at stake** too ; OFF YOUR IDENTITY, COHERENCY AND FIELD...and HOW your quanta flows and is embodied (vs. like a star with a muddled atmosphere that's blocking its shine and exuditure).

Can you afford your Arch-Demoness to keep re-appearing and setting you back weeks, months and years – looting and pillaging your own soul quanta like hara kiri when you're meant to be embodied in your truth which doesn't HAVE ANY FEAR?

I mean;

She could remake a pouncing appearance twisting your mind even when you so much as say '*I'll think about it*' to something which your soul KNOWS would advance your truth and fullest expression. She pulling you back doowwwwnnnn....where Her domain with TIME is Her giddy hellscape.

"I'll think about it"...could translate back into She's already drawing me back into Her dungeon lair where my soul and Spirit desires and gifts remain SHACKLED within and unexpressed as I live in depressive nihilistic torment and soul hara kiri for the next 3.5 months and will 'forget to check in with myself to see if anything changed like Rion said I would. She won't even have me schedule it b/c that's how sneaky She is'.

Yeah...that's how insidious She is b/c She's already kept you in the loop including CONFUSION for years and years.

Heck; **BECAUSE YOU HAVE SUCH CODES AND MAGIC**...She and her legions of entities and other shadow-associated astral demons would love to OWN THE SHOW FOR your next several lifetimes as well BECAUSE YOU are so gifted spiritually.

YOUR BODY SHOULD BE TEMPLE. THE HOLY TEMPLE. A SANCTUARY.

So; consider that to transform when you keep getting blocked by POWERFUL SHADOW FORCES, it's going to requires more power and MORE SACRIFICE b/c you're still taking your personal, logical intention with your soul codes against the great demon itself and the ANTI-LUMINARY within is incredibly powerful. YOU'RE DEALING WITH SUPER-NATURAL FORCES AND SCALE HERE. But that's also why you're primed for 'overnight' style miracles.

THIS CAN ALL CHANGE COURSE FOR MIRACULOUS CHANGE WITH A POWERFUL DECISION. **TO CLAIM YOUR TRUE THRONE, VOICE AND VISUAL AVATAR INCARNATION AND EXPRESSION.**

This is SPECIALIZED embodiment work (dealing with larger shadows and

currents) that safe space Goddess work may not always cover.

Your entire YEARS AND YEARS can not be 'wasted' but can be ALCHEMIZED INTO LIVING INCARNATE WITH YOUR CODES AS A SPIRITUAL CELEBRITY....in HYPER-FAST TIME.

Imagine SHE-DEVIL (not the SEXY DARK VERSION in a black dress, BUT THE ACTUAL PIT OF HELL BITTCCCCHHH that pulls you into Her underworld of suffering)

So in YOUR case...BECAUSE you are dealing with such powerful LIGHT VS. SHADOW Forces and it's been going on so long;

The prognosis is that there's just a GREATER PRICE that you have to pay (and this is in large part BECAUSE of the POWER of both the LIGHT and SHADOW aspects of your AVATAR/Self consciousness)...but the good news is that you HAVE great leverage for a miraculous makeover and transfiguration of self if there was a way to ACCESS Starlet consciousness, unlock your codes into embody and in full alignment EXPRESS them as you become the IMAGO IN stable TEMPLE BODY ITSELF - able to hold all of your codes (and growing!).

Your decision would have to include a bigger SOUL COMMITMENT and then have FAST ACCESS TO SPIRIT to even start to counter-act Her black magic of sorceric mutinous fuckery.

The 4 agreements has it that one of them is 'don't take it personally'...that applies a lot here as well.

What if it's not 'just' been you (b/c it's NOT at a true personality or soul level)? Why carry HER BURDEN ANYMORE?

And I'm not just speaking to or for you b/c it may all be and seem subjective but OTHER FEMALE LIGHTWORKERS are also dealing with these COLLECTIVE issues in their personal battles b/c the SHADOW GODDESSES, DEMONS AND ENTITIES DON'T WANT DIVINE PRINCIPLE TO PROSPER WITH AND THROUGH THEM EITHER.

Yes; these are POWERFUL Starlet codes that empower your AVATAR self. NOW is the time for more ASCENSION STARLETS to fully claim their thrones INTERNALLY and then radiate their ascension influence to the masses in their signature ways.

STARLET THRIVES AND BASKS IN ATTENTION & INFLUENCE.

This is a calling for potential LUMINARY Ascension or Light-worker starlets to stake their own claim. YOU are the one to bring Harmony, Renaissance, Rebirth to the world and all it's fucked up shadows and fracture and imbalance.

Contemplate on the even deeper implications and how much you've invested to only stop now when we're also at a miracle portal for 'overnight-style' success breakthroughs for other spiritual influencers.

Reflect on those who would miss out on your medicine who are YEARNING FOR IT LITERALLY RIGHT NOW IN THE WORLD. Like I'm already visualizing the movie studies and celebrities LOVING MY WORK and where top Hollywood and music starlets find the REAL Lightworking magic like Enchantize and archetype activations THE HOTTEST THING.

But those codes are with me and [Allure Priestess](#) (and those are just SOME codes of MY vision).

What does YOUR version of them look like?

Where to THEM you are EXACTLY their medicine (AND...the hottest shit in their eyes but from FULL divinated alignment and soul service with how Goddess works through you). THEY'RE OUT THERE RIGHT NOW. IT'S NOT IN THE FUTURE...your dream fans, clients, followers are here and now but it's you that has to SHIFT YOUR PRESENCE and embodiment.

Either way; to make a PHYSIOLOGICAL, SOMATIC CHANGE of authentic SELF-IDENTITY transformation into that spiritual celebrity AUTHENTIC, essence brand-alluring starlet/Avatar incarnate version of yourself PUBLICLY to the world as an ascension ICON...you're going to have to make a more powerful

DECISION.

WHO are you REALLY?

And what are you committed to?

The best damn tire sales woman in New Jersey? Something else?...

Will you claim YOUR path and authority though to really break through from this point of awareness?

And would it make sense to maybe get some support to facilitate this process most expeditiously (also to leverage the miracle portal dynamic)?

Because others already are...and they have a different path than you but similar battles.

You could claim it for yourself but only you can make that decision; and then what are you going to do as your 'next step' to make that BIG change? B/c if you keep getting pulled back down in years more of perpetual festering sabotage and Self-mutiny.

Can you afford those years? Because really; isn't it only going to COMPOUND? Isn't there going to be an even GREATER PRICE TO PAY to transform your identity itself if FrankenVVitch keeps the throne?

Imagine;

4-6 months from now...**THRIVING with your own celebrity influencer-like ESSENCED signature brand** with everything going SMOOTH and living heaven on earth with more effortless recognition, fans and client attraction in your HIGHEST TIMELINES. (I'm on a path of supporting Starlet ascension including working with literal Hollywood starlets).

That you too could WIN the meta spiritual war within itself by and LARGE (no more crouching SABOTEUR-VVITCH) within 4 months and then deal with

smaller skirmishes easier (instead of being CONSUMED and RAVAGED by destructive VISIBILITY Shadow) and make a more POWERFUL DECISION or it's predictable your many faces of evil Star-Killer demon of the shadow-grid within is going to keep malevolently running and ruining your entire timeline, highest calling, fulfillment and desire while you wither away in quiet resentment, self-disgust and meekness.

Remember; the GODDESSES ARE ANCIENT. And this is effectively a specialized form of spiritual warfare; it's just within whereas most of the world is focused on 'without' or externally (and projecting onto it).

IMAGINE WHAT'S POSSIBLE WHEN YOU RESOLVE THIS ANCIENT DILEMMA WITHIN YOURSELF TO BE THAT GODDESS INCARNATE WITH YOUR CODES AND MISSION DAUNTLESSLY?

Where people will wonder WHAT HAPPENED 2U , SHE'S ON FIYAAH!?!

And how other 'coaches' will start getting envious because you're like the IT GIRL with your essenced branding and signature celebrity brand allure (the future) whereas they're stuck on lower dimensional stuff like content generation without the ESSENCE and organic response and publicity in your favor for social media marketing with intuitive fans, followers and clients.

Just how fast new miracles could happen in an upward cycle of ascensionary, evolutionary influence, impact, cashflow and legacy (b/c you ALREADY HAVE THE MAGIC)? (B/c you're ALREADY SO RICH IN SPIRIT-TRUTH).

So...I hope this power report has really awakened new levels of profound and practical awareness within you. We have already exposed a lot of what's been going on in Her swampy, smoke and mirrors domain of thievish trickery.

And imagine... the possibility of living heaven on earth as you play your role on a larger stage and in the spotlight but without fear OWNING YOU (although it'll take some realistic social calibration room to acclimate FAST to some dynamics but at a ridiculous pace b/c it's predominantly about this BALANCE within that then f/x everything else b/c you ALREADY have 'it').

Only you know how important and meaningful YOUR soul dharma is. To me; it's everything.

If this has really deeply spoken to you, there's a simple process I can take you through called the AvaStar Makeover. This would take you through the most direct possible way for this identity transformation b/c we work with all of this power, your unique signature Starlet Codex and your literal light body itself.

I'm not here to convince you or sell you on it; nor am I going into details other than to say to TRUST the process...

I am a guide and Beauty sorcerer.

If the Avatar Starlet Makeover calls to you and your soul's guidance at this point and after experiencing this power report you'll probably *already* know if you want to work with me or not and, you'll know what to do as a next step (after all; such authority is in YOUR hands).

BTW; I may or may not be offering quick connections with me or a longer Starlet discovery session so just check the page itself for updates since this is an evergreen power report.

I'm excited to be at a true APEX of Starlet ascension and now have even MORE power to serve the active and future AvaStar clients where I can directly help them the most.

This level of 'CURSE OF THE LIGHTWORKER' isn't normal.

You're not normal... and yet many out there; future soul tribe members and followers, they want what YOU HAVE and the more you LIVE IT, the MORE they will see, experience, recognize, celebrate and all the good stuff.

You have more power to CHOOSE now than ever (this is a dangerous read in that sense b/c you're AWARE of 'the game' and it's less about WHO 'did you wrong in the past' b/c you were meant to go through it to alchemize it into sovereignty anyways, right?)...

It's not longer to live with your codes unexpressed and your highest calling decaying because of years of depression and entropic inertia.

Or for your Starlet to remain HIDDEN and undiscovered by many who would venerate Her and Her medicine with and through you.

But only you can choose and influence such a metamorphosis (and how long it could take).

I WOULDN'T WANT ENTROPY OR ANY MORE LATENCY AFTER ALREADY EARNING IT IN THE SPIRITUAL REALM. The more committed you are and ready to sacrifice, the faster you also can transform - miraculously...including how the world and others who know you SEE and experience you.

It's highlighted for those of us with powerful magic...all of the energies are AMPLIFIED...but that's also to y/our advantage if you can harness them properly - and for overnight success makeover portal-windows of short time.

You have the consciousness capability for overnight success b/c of who you are in SPIRIT-TRUTH including translating market value to millions. **WILL YOU INCARNATE ALL OF YOU AND KICK THE NEMESIS OFF OF THE THRONE WITH ALL HER MUTINY?**

Starlet Herself isn't for everyone....MANY lightworkers will continue to 'play it safe' in smaller ponds with themselves, their brands and influence...stifling their Spirit while being under the DOMINION OF SHADOW. It's not even 'your own POWER' to be afraid of b/c the TRUTH is that your Starlet CODEXED SELF IS CONFIDENT AND SOVEREIGN AND HAS THE BEAUTY, MAGIC, MEDICINE, CODES.

So I'll leave it with this;

WHO are you 'really', who will you be? Who will you CHOOSE to be?

The tentative 'crouching Lightworker...fractured in Presence?

Or the fully expressed AVATAR SELF INCARNATE and visible shamelessly for the world?

Can you even afford to be re-triggered into any debilitating shadows again? Or is it time to UNLEASH YOUR SOMATICALLY SOVEREIGN AND SECURE EMBODIED STARLET to live out your full soul purpose, recognition and success with YOUR codes?

(I know much of this is reiterative but I wanted to just FLOW with the unabridged version so you can soak things in)

What scale of impact are you MEANT to have and can you afford to keep remaining in spiritual warfare suffering endless re-triggering back into Her shadow matrix where your TRUTH remains in the higher realms and as material and social FANTASY while you remain confused, bitter, depressed and less hopeful anything will ever change?

What is possible for you that you FEEL in Spirit and know is your Truth with **NO MORE SELF-MUTINY OR CURSE OF THE CROUCHING ARCH-DEMONESS?**

What if you could LIVE incarnate with your Light and Dark codes without the endless loop resetting of being triggered back into anxiety and shadow and is NOW the time to make a powerful shift?

And yet, imagine WHERE you could be in less than 6 months from now if we indeed have finally uncovered your own story and history...your own living dynamic of 'Crouching Lightworker, Hidden Starlet'...to finally live as your worthy, rich, radiant and fully-expressed, alluring celebrity Starlet-influencer incarnate?

So... Welcome to this quantum leap Starlet Ascension Miracle Portal (for all Light-workers who are connected enough to these alchemical codes and applying them to different degrees in their lives to break the chains).

Thank you for reading and saturating in these juicy codes. I'll end with the question posed at the beginning;

What if your TRUE SELF never, ever ONCE in your life or past lifetimes was unworthy or anxious about you having the FULL VISIBILITY, attention, manifestation and success that you DESIRE in expressing YOUR voice, beauty, codes and magic on a large SCALE to the world...and **that it was ONLY AND EVER 'THE SHADOW' itself that always insidiously got in the way (to sabotage and derail you)?**

To miracles and blessings,

-Rion Kati

The Muse Magician

The Beauty Sorcerer

Grail Magi

Apex Lightworker to the Stars (I'm trying this one on now)
